James Patterson Joan Kotker, 2004-03-30 Since the publication and cinematic success of 1992's *Along Came a Spider*, James Patterson seems to have taken up permanent residence on the bestseller lists. In the ensuing decade, his hit detective novels, with memorable nursery rhyme titles like *Cat and Mouse*, (1997) and *Pop! Goes the Weasel* (1999), came in rapid-fire succession and generated similar popularity and praise. His Alex Cross series created one of the most recognizable detectives in literature, and one of the first urban African American detectives to appeal, on such a grand scale, to audiences of all demographics. With full literary analyses of ten of his most popular works of fiction, this critical companion offers readers a chance to more fully explore Patterson's writings. Beginning with his 1976 bestseller *The Thomas Berryman Number* and moving chronologically to 2002's *2nd Chance*, each chapter examines elements of plot, character development, theme, and critical perspectives. A full chapter offers a delving biographical study of Patterson, including a brief timeline, that traces his early literary and personal interests and later professional achievements. Another chapter discusses the genres of detective and mystery writing, and situates Patterson's contributions within this framework. Patterson's sociological writings are also considered. Whether for personal pursuits or school assignments, this volume provides ample insight and extensive bibliographic information on Patterson's work, including critical sources and reviews.

The Murder House James Patterson, David Ellis, 2016-12-20 Detective Jenna Murphy comes to the Hamptons to solve a

murder-but what she finds is more deadly than she could ever imagine. Trying to escape her troubled past and rehabilitate a career on the rocks, former New York City cop Jenna Murphy hardly expects her lush and wealthy surroundings to be a hotbed of grisly depravity. But when a Hollywood power broker and his mistress are found dead in the abandoned Murder House, the gruesome crime scene rivals anything Jenna experienced in Manhattan. And what at first seems like an open and shut case turns out to have as many shocking secrets as the Murder House itself, as Jenna quickly realizes that the mansion's history is much darker than even the town's most salacious gossips could have imagined. As more bodies surface, and the secret that Jenna has tried desperately to escape closes in on her, she must risk her own life to expose the truth-before the Murder House claims another victim. Full of the twists and turns that have made James Patterson the world's #1 bestselling writer, *The Murder House* is a chilling, page-turning story of murder, money, and revenge.

A shot at redemption arrives in an unexpected form: a teenage outcast with troubles of his own . . . and a natural golf swing. Zoo James Patterson,Michael Ledwidge,2012-09-03 In James Patterson's pulse-racing New York Times bestseller, violent animal attacks are destroying entire cities-and two unlikely heroes must save the world before it's too late. All over the world, brutal animal attacks are crippling entire cities. Jackson Oz, a young biologist, watches the escalating events with an increasing sense of dread. When he witnesses a coordinated lion ambush in Africa, the enormity of the violence to come becomes terrifyingly clear. With the help of ecologist Chloe Tousignant, Oz races to warn world leaders before it's too late.

The attacks are growing in ferocity, cunning, and planning, and soon there will be no place left for humans to hide. For 36 years, James Patterson has written unputdownable, pulse-racing novels-and Zoo is the thriller he was born to write. With wildly inventive imagination and white-knuckle suspense that rivals Stephen King at his very best, Zoo is an epic, non-stop thrill-ride from one of the best of the best (Time).

The Triumph of the Thriller Patrick Anderson,2007-02-06 There's been a revolution in American popular fiction. The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller, one that hooks readers with crime, suspense, and ever-increasing violence. Patrick Anderson, The Washington Post's man on the thriller beat, calls this revolution "the triumph of the thriller," and lists among its stars Thomas Harris, Michael Connelly, George Pelecanos, Dennis Lehane, Sue Grafton, and Elmore Leonard. In his provocative, caustic, and often hilarious survey of today's popular fiction, Anderson shows us who the best thriller writers are-and the worst. He shows how Michael Connelly was inspired by Raymond Chandler, how George Pelecanos toiled in obscurity while he mastered his craft, how Sue Grafton created the first great woman private eye, and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover. Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers. He casts a cold eye on Tom Clancy's militaristic techno-thrillers, and praises Alan Furst and Robert Littell as world-class spy novelists. He examines the pioneering role of Lawrence Sanders, the offbeat appeal of Dean Koontz, the unprecedented success of The Da Vinci Code, and the emergence of the literary thriller. Most of all, Anderson demands that the best of these novelists be given their due-not as genre writers, but as some of the most talented men and women at work in American fiction. Don't trust the literary elites to tell you what to read, he warns-make up you own minds. The Triumph of the Thriller will convince many readers that we've entered an important new era in popular fiction. This book can be your guide to it.
