The Freedom Writers Diary Teacher's Guide Erin Gruwell, The Freedom Writers, 2007-10-02 A standards-based teacher's guide from the educator behind the #1 New York Times bestseller *The Freedom Writers Diary*, with innovative teaching techniques that will engage, empower, and enlighten. Don't miss the public television documentary *Freedom Writers: Stories from the Heart* In response to thousands of letters and e-mails from teachers across the country who learned about Erin Gruwell and her amazing students in *The Freedom Writers Diary* and the hit movie *Freedom Writers*, Gruwell and a team of teacher experts have written *The Freedom Writers Diary Teacher's Guide*, a book that will encourage teachers and students to expand the walls of their classrooms and think outside the box. Here Gruwell goes in depth and shares her unconventional but highly successful educational strategies and techniques (all 150 of her students, who had been deemed "unteachable," graduated from Wilson High School in Long Beach, California): from her very successful "toast for change" (an exercise in which Gruwell exhorted her students to leave the past behind and start fresh) to writing exercises that focus on the importance of journal writing, vocabulary, and more. In an easy-to-use format with black-and-white illustrations, this teacher's guide will become the essential go-to manual for teachers who want to make a difference in their pupils' lives.

Teach with Your Heart Erin Gruwell, 2008-01-15 The extraordinary memoir of the #1 New York Times bestselling author of *The Freedom Writers Diary*, who's been hailed as "a true inspiration" (Hilary Swank) and "simply magical when it comes to inspiring people to action" (Los Angeles Times). Don't miss the public television documentary *Freedom Writers: Stories from the Heart* In this passionate, poignant, and deeply personal memoir and call to arms, Erin Gruwell, the dynamic teacher who nurtured an extraordinary group of high school students from Long Beach, California, who called themselves the Freedom Writers, picks up where *The Freedom Writers Diary*—and the hit movie *Freedom Writers*—left off and brings the reader up to date on where the Freedom Writers are today. Including their unforgettable trip to Auschwitz, where they met with Holocaust survivors; their tour of the attic of their beloved Anne Frank; and their visit to Bosnia with their friend Zlata Filipović, *Teach With Your Heart* chronicles what happened with the Freedom Writers as they made their way through college and beyond. Along the way, Gruwell includes lessons for parents and teachers about what she learned from her remarkable band of students as she traveled through the emotional peaks and valleys on the front lines of our nation's educational system. A mesmerizing story of one young woman's personal odyssey and of her unique ability to encourage

others to follow in her footsteps, *Teach With Your Heart* is marked by the enviable radiance and irrepressible force of nature that are Erin Gruwell and her unbelievable determination to ensure that education in the United States truly meets the needs of every student.

Diary of a Freedom Writer Darrius Garrett, 2013 Survivor... a word continuously thought of when reading this memoir. Upon the release of *The Freedom Writers Diary* and film adaptation starring Hilary Swank in 2007, New York Times bestselling author Darrius Garrett realized that both book and movie tell the Freedom Writer Story as a whole, but not on a personal level. During speaking engagements, the same questions always surface: 'Did Ms. Gruwell change you? How did you make it out of the gang life? What stopped you from killing yourself?' Darrius's answers are inside. *Diary of a Freedom Writer* takes you on a journey beyond the classrooms to the treacherous streets of Long Beach, California. An innocent little boy born in poverty and raised in a violent environment, Darrius became a product of the streets, written off by the school and judicial systems alike, growing up in an environment full of gangs and drugs. He spent his life searching for a father figure until he became a Freedom Writer, motivational speaker, bestselling author, and finally a father himself. His story is that of a man realizing his experiences are what made him the man he has been seeking to be all his life. Upon beating the odds, *Diary of a Freedom Writer* serves as proof that Darrius's story of struggle, life, change, and hope will uplift, educate, encourage, and inspire.

Teaching Hope *The Freedom Writers*, Erin Gruwell, 2009-08-18 Incredible stories of struggle, redemption, and the power of education from the teachers taught by Erin Gruwell and the #1 New York Times bestselling authors of *The Freedom Writers Diary* Don't miss the public television documentary *Freedom Writers: Stories from the Heart* "These are the most influential professionals most of us will ever meet. The effects of their work will last forever."—From the foreword by Anna Quindlen Now documented in a bestselling book, feature film, and public television documentary, the Freedom Writers phenomenon came about in 1994, when Erin Gruwell stepped into Room 203 and began her first teaching job out of college. Long Beach, California, was still reeling from the deadly violence that erupted during the Rodney King riots, and the kids in Erin's classroom reflected the anger, resentment, and hopelessness of their community. Undaunted, Erin fostered an educational philosophy that valued and promoted diversity, tolerance, and communication, and in the process, she transformed her students' lives, as well as her own. Erin Gruwell and the Freedom Writers went on to establish the Freedom Writers Foundation to replicate the success of Room 203 and provide all students with hope and opportunities to realize their academic potential. Since then, the foundation has trained more than 800 teachers around the world. *Teaching Hope* unites the voices of these Freedom Writer Teachers, who share uplifting, devastating, and poignant stories from their classrooms, stories that provide insight into the struggles and triumphs of education in all of its forms. Mirroring an academic year, these dispatches from the front lines of education take us from the anticipation of the first day to the disillusionment, challenges,

and triumphs of the school year. These are the voices of teachers who persevere in the face of intolerance, rigid administration, and countless other challenges, and continue to reach out and teach those who are deemed unteachable. Their stories inspire everyone to make a difference in the world around them.

The Freedom Writers Diary (20th Anniversary Edition) The Freedom Writers, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell. Now a public television documentary, *Freedom Writers: Stories from the Heart*. In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

Everybody Has a Story Torbjørn Ydegaard, 2014-04-24 Everybody has a story, and it's important to tell this story - so goes a saying of Erin Gruwell, the founder of The Freedom Writer-pedagogy. This quote is now turned into a book-title - or actually into a series of books like this one in either English or Danish. *Everybody Has A Story* is a book based on The Freedom Writers methodology - in a double sense; the methodology was both taught to and implemented on a group of international students at University College South-Denmark, Campus Haderslev. The book bears witness of young people's lived lives across Europe, Russia, and Japan. It contains stories told in prose, poems as well as in drawings - and it contains stories about love, loss of love and loss of loved ones, about dreams of future lives and wonders of lives as such. And it tells stories about bullying, mental illness and simple strives just to be able to survive and live on.

Freedom at Work Maria E. Torres-Guzman, 2015-12-03 This book explores the freedom to use the language resources we have at our disposal to learn to our fullest, to engage in inquiry about learning and teaching, and to go beyond the surface in topics of schooling and education. Within a particular school context, the author explores how these freedoms came into being, how they took shape, and what they meant for the individuals involved. She shows that the individual and social freedoms in which the teacher and the learner operate within schools are important measures and outcomes of intellectual development. In connecting language, culture, learning, and intellectual development as freedoms in her own life, the author explores a new way of seeing the role of multiple languages in education and the freedom to learn.
