**The Deity Jewels: Part Two, Omen of Demise** Mel E. Furnish,

*He Loves Me, He Loves Me Not* Kathleen Palmer Terry, 2018-02-05 I became the keeper of secrets, and there were consequences. With my silence I protected my children and allowed them to forever see their father as a hero, but I had also given my husband a clean slate upon which he could rewrite his history, minus the embarrassing part. At first, silence was the glue that bound us together, then it was the weight under which we crumbled. \*\*\* Cheaters are selfish people. In fact, the most damning thing about cheating is that it reveals a lack of caring for and commitment to the whole family unit, not just one's spouse. 'I'm cheating because I care about my family so much more than my selfish desires,' said no person ever. \*\*\* Infidelity and the drama it creates have been around since the beginning of time. As a result, there is no shortage of advice on how to prevent it, what to do once it starts, or how to pick up the pieces once it ends . . . if it ends. Why do some marriages survive and others dissolve in the aftermath? Is there some magic ingredient present in enduring relationships? Is it possible to heal as individuals, yet fail to heal as a couple? In this deeply personal and intuitive book, one woman of faith tells her story of love, disillusionment, and resilience in a down-to-earth, upbeat, and sometimes humorous style that reflects the strength that comes from knowing God loves us, that he is in charge, and that he has the desire and ability to shape us into better people through our adversity. It will persuade you that, although we live in an age of throw-away marriages, there are still those who believe traditional values exist, that a family is a sacred commitment, that giving up is not an option.

**Confessions of Power** Nirbhay Vassa, 2024-09-20 In *Confessions of Power*, Nirbhay recounts his odyssey from early privilege to unexpected adversity, traversing from the lively streets of Mumbai to the diverse landscape of London. It is a source of hope and motivation, illustrating how remarkable strength can be discovered in the most commonplace experiences. Whether you're a budding leader or a veteran professional, Confessions of Power provides profound insights into guiding others with compassion, empathy, and authenticity. Embark on this journey with Nirbhay as he reveals the extraordinary in everyday heroes and motivates you to lead with steadfast resilience and genuine conviction.

Sassy Self Care Ricky Browne,rickybrowne.com,2025-06-15 Humor for women written by a man. About the Series Captions Gone Wild is where my creative journey began—just me, a beer, and whatever ridiculous idea popped into my head. I started by making memes, pairing funny thoughts with striking images. One turned into ten, ten into a hundred, and before I knew it, I had thousands. At first, I made them for fun. Then I realized they deserved a home—so I began curating and formatting them into themed 6x9 trade books. Over two years, I created around 2,500 captioned images across various themes. What started as The Best Medicine series evolved into Captions Gone Wild—a better name for what these books really are: funny, offbeat, and sometimes downright absurd. They're weird. They're wild. And they might just be the funniest books you'll ever flip through. I loved making them—I hope you love reading them.

**Mental Illness** Jacque Maria Ellison,2015-03-03 This is a true story of how I coped in a mental hospital for five weeks. Hopefully, after reading this, it will give other people who are going or who have went through the same experience and ideas of how to cope. So many people suffer in silence with a mental illness. Why do a lot of us suffer in silence? Why do we hide? Why do we feel ashamed? I realized that if I opened up and talked about my illness and if a lot of other people opened up and talked to someone, there would not be such a stigma to mental illness. There is nothing to be ashamed of. It takes a strong person to get through and come out the other side. Nobody wants to live the event that caused so much pain, but if we face it with courage we wont have to live it again.

**Have a Beautiful Day** Bryan Arndt, PhD,2014-11-26 I love early mornings, including that period of darkness before sunrise. It is during this special time of day that I can be alone with my thoughts, write uninterrupted, and feel as if I am at my most productive. Over the years I have also found the best way to begin each day is to thank the universe for the gift of a

new day. These expressions of gratitude have a way of returning more of what it is I love about my life back to me. I have also found that a good quote, an affirmation or two, thoughts from our ancient wisdom writers, or words of inspiration from a variety of people especially creative people are the best way to kick off my day. I make every moment special and meaningful. I make every moment productive and rewarding. I make every moment positive and life-affirming. Enjoying a lifetime's worth of beautiful days this is what I Imagine, believe, and create for my whole self each and every day. You can do the same; you too can Imagine Believe Create a lifetime's worth of beautiful days. How? Open the book to today's date it can all begin right now. Have a beautiful day.
