

Was Jane Pittman A Real Person

Frank Northen Magill

The Autobiography of Miss Jane Pittman and Related Readings Ernest J. Gaines, 1997-10 A textbook reader for young adults features *The Autobiography of Miss Jane Pittman* by Ernest J. Gaines, plus short stories, poems, and essays designed to build reading comprehension.

Mozart and Leadbelly Ernest J. Gaines, 2007-12-18 The beloved author of the classic, best-selling novel *A Lesson Before Dying* shares the inspirations behind his books and his reasons for becoming a writer in this collection of stories and essays. Told in the simple and powerful prose that is a hallmark of his craft, these writings by Ernest J. Gaines faithfully evoke the sorrows and joys of rustic Southern life. From his depiction of his childhood move to California — a move that propelled him to find books that conjured the sights, smells, and locution of his native Louisiana home — to his description of the real-life murder case that gave him the idea for his masterpiece; this wonderful collection is a revelation of both man and writer.

Ernest J. Gaines Dennis Abrams, 2013-11 Winner of the National Book Critics Circle Award for his 1993 novel; *A Lesson Before Dying*, recipient of the National Humanities Medal, and author of the classic; *The Autobiography of Miss Jane Pittman*, Ernest J.

Celebrated African-American Novelists Amy Graham, 2012-07-01 Author Amy Graham explores the lives and literary works of nine influential writers in this book. From Harriet Adams to Ernest Gaines and Alice Walker, each short biography ends with a brief timeline of the person's life and achievements.

Dreaming Out Loud Horace Porter, 2015-04-15 *Dreaming Out Loud* brings together essays by many of the most well-known and respected African American writers of the twentieth and twenty-first centuries, discussing various aspects of the vocation, craft, and art of writing fiction. Though many of the writers included here are also accomplished poets, essayists, and playwrights, this collection and the essays it contains remains focused on the novel as a genre and an art form. Some essays explore the challenges of being an African American writer in the United States, broadly addressing aesthetic and racial prejudice in American publishing and literature and its changing face over the decades. Others are more specific and personal, recounting how the authors came to be a reader and writer in a culture that did not always encourage them to do so. Some are more general and focus on practice and craft, while still other essays offer detailed behind-the-scenes accounts of how famous novels, such as *Native Son*, *Invisible Man*, *The Autobiography of Miss Jane Pittman*, and *The Color Purple*,

came to life. Ranging from the Harlem Renaissance, through the Civil Rights movement, and into the twenty-first century, this anthology explores what it has meant to be an African American novelist over the past hundred years. Found within are essays by twenty-one African American novelists, including Nobel Prize-winner Toni Morrison, National Book Award-winners Ralph Ellison and Charles Johnson, Pulitzer Prize-winners Alice Walker and James Alan McPherson, and well-known canonical writers such as W. E. B. Du Bois, James Weldon Johnson, Langston Hughes, Richard Wright, Zora Neale Hurston, and Margaret Walker. *Dreaming Out Loud* seeks to inspire writers and readers alike, while offering a fascinating and important portrait of novelists at work in their own words. CONTRIBUTORS James Baldwin, Arna Bontemps, W. E. B. Du Bois, Ralph Ellison, Ernest Gaines, Chester Himes, Langston Hughes, Zora Neale Hurston, Charles Johnson, James Weldon Johnson, Gayl Jones, Terry McMillan, James Alan McPherson, Toni Morrison, Walter Mosley, Ishmael Reed, Martha Southgate, Alice Walker, Margaret Walker, John Edgar Wideman, Richard Wright

Portraits Margaret Fleming, Jo McGinnis, 1985 Prepared by experienced classroom teachers from all levels, the articles in this book explain how to use biography and autobiography as a basis for the thorough study of a topic in literature, history, the social sciences, or other subject areas. The nine articles in the first section of the book use Maya Angelou's *I Know Why the Caged Bird Sings* and Carl Sandburg's *Abe Lincoln Grows Up* to illustrate a wide range of possible classroom applications of biography and autobiography. These articles focus on techniques teachers can use to get beyond surface facts into the significance of the works, and draw upon Bloom's *Taxonomy of Educational Objectives* and other analyses of mental activity to sketch lines of inquiry and discussion from various disciplines. In addition, the articles concentrate on one salient concept from each discipline and develop it through the use of one of the approaches offered. The four articles in the second section of the book discuss ways to approach sensitive or controversial subject matter, ways to develop writing assignments from the study of biography and autobiography, and other classroom concerns. (FL)

Young Adult Reader's Adviser Marion Sader, 1992-01-30 The best in literature and language arts, mathematics and computer science.

Ernest Gaines Valerie Melissa Babb, 1991 Discusses the life and literary works of African-American author Ernest Gaines.

Beacham's Encyclopedia of Popular Fiction Kirk H. Beetz, 1996

The Greenwood Encyclopedia of African American Literature: D-H Hans A. Ostrom, J. David Macey, 2005 Designed to meet the needs of high school students, undergraduates, and general readers, this encyclopedia is the most comprehensive reference available on African American literature from its origins to the present. Other works include many brief entries, or offer extended biographical sketches of a limited selection of writers. This encyclopedia surpasses existing references by offering full and current coverage of a vast range of authors and topics. While most of the entries are on

individual authors, the encyclopedia gathers together information about the genres and geographical and cultural environments in which these writers have worked, and the social, political, and aesthetic movements in which they have participated. Thus the encyclopedia gives special attention to the historical and cultural forces that have shaped African American writing. - Publisher.

Magill's Survey of American Literature Frank Northen Magill,1991 This set presents 190+ American writers for the 17th to the late 20th century.

Like it was Cynthia Stokes Brown,1988 Gives instructions for writing oral histories and biographies including such aspects as planning, interviewing, transcribing, editing, and publishing the results.

Avatars contemporains des récits d'esclaves Judith Misrahi-Barak,2005 Issu d'un colloque organisé en 2003 à l'Université P. Valéry, ces textes analysent les oeuvres de fiction contemporaines s'inspirant des récits d'esclaves des XVIIIe et XIXe siècles. Ils s'interrogent sur l'intérêt porté à ce genre de récit, tant du point de vue des écrivains que des lecteurs.
