Associate Professor of Philosophy James Allen, James Allen

As a Man Thinketh James Allen, 2022-09-04 In *As a Man Thinketh*, James Allen intricately weaves a philosophical treatise that examines the profound impact of thought on character and circumstance. Written in a style that melds poetic prose with motivational insight, the book posits that our thoughts shape our reality and ultimately define our essence. Echoing the principles of New Thought philosophy and influenced by contemporary figures like Ralph Waldo Emerson, Allen articulates his ideas with clarity, urging readers to embrace the transformative power of mindful thinking. This compact work operates as both a self-help manual and a spiritual guide, inviting introspection and personal growth. James Allen, a key figure in early 20th-century self-help literature, was greatly influenced by his own trials and tribulations, including personal financial struggles and health issues. Born in England, Allen dedicated his life to exploring the relationship between mental discipline and personal success. His experiences led him to realize that individuals possess the innate power to shape their destinies through the cultivation of positive thoughts and actions, a perspective that permeates the entirety of *As a Man Thinketh*. I wholeheartedly recommend this book to readers seeking empowerment through introspection. Allen's timeless wisdom provides a roadmap to attaining not only external success but also inner peace and fulfillment. An essential read for anyone aspiring to harness the power of their thoughts, this work remains relevant in today's fast-paced world.

As a Man Thinketh Associate Professor of Philosophy James Allen, James Allen, 2010-12 James Allen's classic *AS A MAN THINKETH*. The Bestselling Classic That Inspired The Secret. *AS A MAN THINKETH*, Allen's most famous book, today is considered a classic self-help book. Its underlying premise is that noble thoughts make a noble person, while lowly thoughts make a miserable person. In *As a Man Thinketh*, James Allen reveals how our thoughts determine reality. Whether or not we are conscious of it, our underlying beliefs shape our character, our health and appearance, our circumstances, and our destinies. Allen shows how we can master our thoughts to create the life we want, lest we drift through life unconscious of the inner forces that keep us mired in failure and frustration. The Vision that you glorify in your mind, the Ideal that you

enthroned in your heart-this you will build your life by, this you will become. This principle, which others have called THE SECRET or the LAW OF ATTRACTION, was clearly and convincingly stated for the first time in *As a Man Thinketh*. As a being of Power, Intelligence, and Love, and the lord of his own thoughts, man holds the key to every situation, and contains within himself that transforming and regenerative agency by which he may make himself what he wills.
