**The Grail Rider** Inaiya Ray, 2017-01-09 The Grail Rider is a spiritual memoir born from a life-altering Shamanic Journey inspired by the overlighting wisdom of the Christos Sophia. Throughout the ceremony, the blue fire of Divinity consumed all falsities of Self, infusing Inaiya with an all embracing love that suspended her in Grace. While she lay motionless on the forest floor, Inaiya communes with her Family of Light and is downloaded with a vivid, multi-dimensional transmission that illuminates the seeding of Universal Christ Consciousness, encoded to blossom within her and the hearts of all beings at this unprecedented epoch in time. Inaiya is shown how life on Earth would be brought back into balance through each being undergoing the inner alchemy of the Divine Marriage. Inaiya, along with humanity, was at a vital crossroads, where her destiny called her irresistibly forth to embark upon an initiatory journey and follow a chain of synchronicities that would unveil the true nature of the Beloved. You are invited to venture along with Inaiya through the mythic Grail lines of Glastonbury, the French Pyrenees, Mediterranean Coast, Italy and Greece as she traces and re-discovers the richly encoded wisdom and timeless transmissions of the Divine Masculine and Divine Feminine as they rise, newly empowered to usher in an awakened New Earth unified in Oneness, sovereignty and resounding beauty. The Grail Rider is not only a holographic travel adventure woven with cosmic codes of light, it is an eternal love story and quest of the Soul, that magically unveils an alchemical treasure map that is altogether paradigm shifting. Steeped in humility, humour, and the transparent quandaries of a modern day Priestess, The Grail Rider is an offering of love, here to awaken and inspire all those who are called to return to the heart of the wild Divine.

**Dissenting from Donald Trump While Listening to "The Battle Hymn of the Republic"** Rodney Wallace Kennedy, 2025-08-21 Democracy now exists in a state of precarity. The anti-democratic swing in America's mood has been orchestrated by President Donald Trump. He has used demagoguery, a false populism, fear, and a spirit of resentment and revenge to enthrall the masses. His excessive rhetoric has divided and angered the nation. The essays in this book dissent from Trump - his rhetoric, his actions, his lies, his deceptions, and his lack of respect for the rule of law. All the negative descriptions of President Trump can be summarized in one theological term: Evil. His actions are those of a person who is the incarnation of evil. My protests have now continued for more than nine years. Democracy can't survive without dissent. This is a book of dissent.

**Human in Person** Dr. N Prabhu Dev, 2016-05-12 Life is a dream for the wise, a game for the fool and a comedy for the rich and a tragedy for the poor. I have made an attempt to portrait life as you and I live and believe. This is purely my perception. I may be right or I may even be wrong. You may agree or agree to disagree. I believe that Life is a collection of experiences, ideas, education and events. The Game of Life is not a game of chess in the conventional sense. There are no players, and no winning or losing. Once the pieces are placed in position, the rules determine everything that happens later. Nevertheless, Life is full of surprises! In most cases, it is impossible to look at a starting position or pattern and see what will happen in the future. The only way to find out is to follow the rules of life. Life is just one example of a cellular automaton, In Life, as in nature, we observe many fascinating phenomena. Nature, however, is complicated and we aren't sure of all the rules. I believe in Study everything, join nothing. I am puzzled by 'civil war.' How can a war be civil?

Mysticism in Newburyport Peter James Ford, 2023-03-26 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

**Inked** Janet E. Kusiak, Kim Goad, 2013-02-01 A tattoo can tell a lot about a person. Some reflect a rebellious season, like the demons that cover Josh Hamilton of the Texas Rangers. Some express religious ties, like actor Mark Wahlberg's once tattooed rosary. Some are symbols of love and loyalty; Some serve as remembrances, like rapper Lil Wayne's teardrops, representing deaths of loved ones. Inked by Janet E. Kusiak and Kimberly D. Goad uses the language of tattoos to explore the question: what has marked your life? Is it a deep well of pain? Is it emotional baggage? Is it depression? In spite of events that are so deeply etched into our hearts, we have the power to change the marks that life makes on us. An estimated quarter of Americans ages 18-50 have a tattoo. What better way to show how one of the most polarizing of cultural icons can, in fact, be a metaphor for what people have in common? Using stories and slang from tattoo culture, the authors look at the new way Christ desires that we be inked by Him, as the authors explore the marks that have been made on our hearts.
