Coming Home Rosamunde Pilcher, 2017-02-28 Against the backdrop of an elegant Cornwall mansion before World War II and a vast continent-spanning canvas during the turbulent war years, this involving story tells of an extraordinary young woman's coming of age, coming to grips with love and sadness, and in every sense of the term, coming home... In 1935, Judith Dunbar is left behind at a British boarding school when her mother and baby sister go off to join her father in Singapore. At Saint Ursula's, her friendship with Loveday Carey-Lewis sweeps her into the privileged, madcap world of the British aristocracy, teaching her about values, friendship, and wealth. But it will be the drama of war, as it wrenches Judith from those she cares about most, that will teach her about courage...and about love. Teeming with marvelous, memorable characters in a novel that is a true masterpiece, Rosamunde Pilcher's *Coming Home* is a book to be savored, reread, and cherished forever.

Coming home [Russian text], Rosamunde Pilcher Rosamund Pilcher, 2004

Three Women At The Water's Edge Nancy Thayer, 1996-10-15 A story of three women searching for new ways of living.

A Price For Everything Mary Sheepshanks, 1998-01-15 From the introduction by Rosamunde Pilcher: A Price for Everything is linked, from start to finish, by Mary Sheepshanks' humor and a rare sense of the ridiculous which bubble up at the least likely moments. I read the book at a single sitting and felt bereft when I finally closed the cover onto the last page. The house itself seemed to possess her. It was a love affair, and like many love affairs, it was inconvenient. Nestled cozily in the English countryside stands a house called Duntan-grand, proud, beautiful to look at, yet slowly falling apart and riddled with problems. How can Sonia, Lady Duntan so fiercely love such a monster of a house, almost as much as she loves her four children, perhaps more than she loves her husband, whose family has lived at Duntan for over 200 years? For Sonia, restoring Duntan to its former glory has become synonymous with repairing her own sense of self, and refurbishing the house means working closely with Simon Hadleigh, the charming director of the Heritage at Risk Association. But as her marriage seems to be crumbling faster than the house itself; her children growing up quickly; her painting career taking off and Simon awakening in her a long, dormant passion, Sonia realizes that everything has its price...

Heimkehr Rosamunde Pilcher, 1997 Livet i England i årene 1935-1945, med Judith i centrum, fra hun som 14-årig kostskolepige optages i en Cornwall-godsejerfamilie mens hendes familie bor i Singapore, til voksenlivet under og efter

The Ladies of Covington Send Their Love Joan Medlicott, 2001-05-15 Grace, Amelia, and Hannah decide that the last thing they want to do is live out their lives in a group home, and so, to the dismay of their children, they pool their resources and move to Covington, North Carolina, and new lives.

The Scottish Rose Jill Jones, 1997-02-15 It began with a letter...that leads to a passion and adventure beyond her dreams... I have taken measures to hide Mary's rose chalice...I fear that all in the castle may die for hiding it, but it is our duty to protect this sacred emblem of Scotland. --Letter written in 1651 Taylor Kincaid hosts a top-rated television series that debunks everything supernatural. So when she finds herself on the Scottish coast-- to claim an out-of-the-blue inheritance and ancient letters telling of royal gold-- she's prepared to explode the local legend: an archway made of stone through which young women disappear. Until a stormy sea sweeps her through the Ladysgate-- and with her, handsome, rugged sea captain Duncan Fraser. Beyond it lies the Scotland of 1651. It is the land of Taylor's heirloom letters and Mary Queen of Scots' fabled jeweled chalice, The Scottish Rose, emblem of peace. Together Taylor and Duncan must search for it amid the passions and perils of history...or, in a desperate bid to recross the centuries, risk losing each other and the love they've found beyond the gates of time.

The Literary Filmography Leonard Mustazza, 2006-05-17 From the very infancy of the film industry, filmmakers have relied heavily upon literature as the foundation for their movie material. Well-known literary works such as Dickens's A Christmas Carol and Hawthorne's The Scarlet Letter were adapted to film in the silent era, as were such books as Thomas Dixon's Jr.'s The Klansman, basis for the film Birth of a Nation. In recent years, Nick Hornsby's About a Boy and each of Helen Fielding's Bridget Jones's Diary novels were the basis for popular movies bearing the same names. A guide to English-language works that have been adapted as theatrical and television films, this volume includes books (both fiction and non-fiction), short stories, newspaper and magazine articles and poems. Entries are arranged alphabetically by literary title with cross-listings for films made under different titles. Each entry includes the original work's title, author, year of first publication, literary prizes, and a brief plot summary. Information on film adaptation(s) of the work, including adaptation titles, director, screenwriter, principal cast and the names of the characters they portray, major awards, and availability in the most common formats (DVD, VHS), is also offered.
