Normalize Great Service - The 5-Week Plan Cristina Dragan, 2024-05-14 “Normalize Great Service. The 5 Week Plan” is a detailed, practical guide, inspired by 5* hospitality best practices, for entrepreneurs and small-business owners to better serve their employees and customers. It leads with the vision that great quality service should be normalized, making it possible to have attentive and professional interactions across all customer-facing businesses, regardless of their scale and level of luxury or simplicity. Along with a structured and practical approach to change, allocating the necessary importance to the follow-up steps as well (reinforcement and celebration), the guide includes: Self-audits to assess the current state of your employee engagement or customer satisfaction; A Facilitator Guide to help you streamline the training; A Participant Workbook to serve as the foundation for your team members' training; An abundance of examples to inspire you, based on a practical study case; Useful exercises and templates to support your team’s efforts. So, Take What You Need and Join the Movement to Normalize Great Service! If you are a small business owner in the customer-facing service industry, a servicepreneur, then you are the leader, everything will reflect your actions and decisions. So, TAKE WHAT YOU and your team NEED to exceed those expectations! Appreciate and celebrate more, listen to the emotional and physical voice of your employees to better care for them, and listen to the needs and wishes of your customers to guide your service. If you are a freelancer or a solopreneur, you are a one-(wo)man-show being at the same time the business, the employee, the brand, and

the values. TAKE WHAT YOU NEED to shape your skills and create experiences rather than provide services. Answer that call, write that email, connect in that meeting, and deliver that project at its best level! Select the gestures, words, tools, and mentalities that add value to your work. If you are a service professional, I admire your dedication to self-development. TAKE WHAT YOU NEED to upgrade your many talents, become even more valuable on the market, and declare yourself an experienced curator because that's what you are! If you are a customer (and all of us are customers, daily!) respect yourself by not accepting service below expectations, and appreciate the service employees' continuous effort to create experiences. TAKE WHAT YOU NEED, know what you deserve, and don't settle for less!

Boldly You Janet T. Phan,2022-05-17 *Boldly You: A Story about Discovering What You're Capable of When You Show Up for Yourself* is a close-up look at the hardships, life lessons, and stories of resilience of author Janet T. Phan. In this honest, insightful, heartfelt account of Janet's experience as a young woman struggling to overcome the obstacles in her life, readers

will find wisdom and advice to help them rise above their own circumstances, recognize their limitless potential, and achieve their goals. This book is about what's possible in a person's life when they recognize that they have the power to define their future. As a young woman, Janet faced countless realities that made her path to success difficult. Her family relied on government subsidies, such as housing and free meals at school. Her first-generation Vietnamese parents, in a culture so different from their own, didn't always understand how to support her curiosity, ambitions, and goals. But she believed in herself and had the courage to act on those beliefs, so she found a way to build a community around her and develop the skills she needed to make top grades throughout her education while working multiple jobs and pursuing her dreams. In her book, Janet shares the key takeaways from her experiences that led to her success today as a driving force impacting the STEM field and as the Founder and Executive Director of Thriving Elements, a nonprofit dedicated to providing access and opportunities for underserved, underrepresented girls through STEM mentorship. *Boldly You* is a self-help book that reads like a charged and poignant memoir. Written for high school and college students, young professionals, and all those who are dreaming of their future or figuring out their paths in life, this book will inspire and guide. Every chapter concludes with Thriving Elements, critical learnings from the author's journey that will help readers show up for themselves, be open-minded, build their confidence, be situationally aware, and be biased for action. Janet's story is proof that you can be your own person and create the life you want.

The Agnews were a bardic sept of both the O'Neill and Douglas Clans in Scotland. Agnews were the hereditary sheriffs of Galloway, the keepers of Locknaw Castle until the position was abolished in the 1700s. Some focus is on several key ancestors. One was Niven Agnew, who immigrated to North America in the 1600s. Another was Sir Andrew Agnew of Locknaw, Kircudbright, and Wistonshire. Another was Georgia Agnews, who came through the children of Elijah and Susannah Nix Agnew, i.e. Daniel Harrison, William Carlisle, George McDuffy, Elizabeth Jane, and Ludlow P. Agnew. Agnews were prominent in southwestern Scotland (in the Rhinns of Galloway) and in County Antrim, Northern Ireland. The Chateaux d'Agneaux in Agneau (near St. Lô), France is associated with the Angew family, as is the Kilwaughter Castle in County Antrim.
