**On Democracy** E. B. White,2019-05-07 A New York Times Book Review New & Noteworthy Book "For democracy's weary champions, White's time-tested prose is a shot of adrenaline."—Madeleine Albright A collection of essays, letters, and poems from E. B. White, "one of the country's great literary treasures" (New York Times), centered on the subject of freedom and democracy in America. The special book includes an introduction by Pulitzer Prize-winning historian Jon Meacham. "I am a member of a party of one, and I live in an age of fear." These words were written by E. B. White in 1947. Decades before our current political turmoil, White crafted eloquent yet practical political statements that continue to resonate. "There's only one kind of press that's any good—" he proclaimed, "a press free from any taint of the government." He condemned the trend of defamation, arguing that "in doubtful, doubting days, national morality tends to slip and slide toward a condition in which the test of a man's honor is his zeal for discovering dishonor in others." And on the spread of fascism he lamented, "fascism enjoys at the moment an almost perfect climate for growth—a world of fear and hunger." This concise collection of essays, letters, and poems from one of this country's most eminent literary voices offers much-needed historical context for our current state of the nation—and hope for the future of our society. Speaking to Americans at a time of uncertainty, when democracy itself has come under threat, he reminds us, "As long as there is one upright man, as long as there is one compassionate woman . . . the scene is not desolate."

**E. B. White Boxed Set** E. B. White,1972-10-18

Letters of E. B. White, Revised Edition E. B. White,2013-07-02 Originally edited by Dorothy Lobrano Guth, and revised and updated by Martha White. With a foreword by John Updike. These letters are, of course, beautifully written but above all personal, precise, and honest. They evoke E.B. White's life in New York and in Maine at every stage of his life. They are full of memorable characters: White's family, the New Yorker staff and contributors, literary types and show business people, farmers from Maine and sophisticates from New York—Katherine S. White, Harold Ross, James Thurber, Alexander Woolcott, Groucho Marx, John Updike, and many, many more. Each decade has its own look and taste and feel. Places, too—from Belgrade (Maine) to Turtle Bay (NYC) to the S.S. Buford, Alaska-bound in 1923—are brought to life in White's descriptions. There is no other book of letters to compare with this; it is a book to treasure and savor at one's leisure. As White wrote in this book, "A man who publishes his letters becomes nudist—nothing shields him from the world's gaze except his bare skin....a man who has written a letter is stuck with it for all time."
