A Gentleman's Perspective Malachi Nunes,2017-08-17 A Gentleman's perspective is a variation of motivational, self help quotes that uplift a woman and inspire men both in and outside of a relationship. Written from a gentleman's perspective, these quotes are random thoughts that help a man reconsider how he treats his partner and to understand the importance of seeing her as his Queen. These quotes are random thoughts in relation to a woman's mind-set in a relationship. It touches on how she would like to be treated or seen by a man and encourages women to value them self more. Women deserve much more respect and men deserve to be educated on how to respect a woman. The quotations that are used provide positive, helpful advice that is full of wisdom for uncertainty in life or in a relationship. Whether this relates to a persons past, present or future, they stimulate thoughts that may not have been previously considered.

**Crying Angels** Sarah V. Tinsley,2018-10 Most of us can probably think of a spiritual experience in our life that made a permanent profound impression. God reveals His infinite love through our personal experiences. Too often these stories of spiritual reality are never shared with others. When I began praying for spiritual experiences when my parents were very ill, I was blessed with a visit from crying angels. The first story in my book, *Crying Angels*, inspired the title of my book. I felt I should record and share my spiritual stories and the stories I had heard from others. I realized that both the teller and the listener's faith in God increases when stories are shared. Our sharing creates a ripple effect of numerous blessings. My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you. Sarah V. Tinsley
