Love Life Matthew Hussey,2024-04-23 NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER INTERNATIONAL BESTSELLER An essential set of tools and principles for healing your heart, finding love, and loving life. Finding love can be hard. Being single can feel even harder. In Love Life, world-renowned coach and New York Times bestselling author Matthew Hussey provides a practical roadmap for letting go of past relationships, overcoming the fear of getting left behind, and finding the love we want. Sometimes it feels like life and love are working against us. Just finding someone we like can be a struggle. Even when we do, we often find they're not ready, or they want different things. Then there are the internal fears and anxieties that lead us to self-sabotage—that make us indulge the wrong behavior in others, hold back from expressing our needs for fear of losing someone, or overinvest in people and lose ourselves in the process. Love Life sheds light on these common patterns and how to overcome them, by showing us how to adopt new standards, elegantly communicate them, and develop the deepest levels of confidence that underpin them. Like many of us, Hussey has gone through major life changes over the past decade, and he opens up about his experiences, vulnerabilities, and mistakes. Love Life is about doing love better. More than a book about romantic relationships, Love Life shows us how to take control of each of the major relationships in our lives: our relationship with others, our relationship with ourselves, and our relationship with life itself. Our love lives have the power to elevate or eradicate the adjacent joy in our lives. Love Life sets you on the path to finding the love of your life, while deepening your love for life.

Modern Manhood Cleo Stiller, 2019-11-12 Emmy and Peabody Award-nominated health reporter Cleo Stiller's fun(ny) and informative collection of advice and perspectives about what it means to be a good guy in the era of #MeToo. Here are a few self-evident truths: Predatory men need to go, sexual assault is wrong, and women and men should be equal. If you're a man and disagree with any of the aforementioned, then this book isn't for you. But if you agree, you're probably one of the "good guys." That said, you might also be feeling frustrated, exasperated, and perhaps even skeptical about the current national conversation surrounding #MeToo (among many other things). You've likely found yourself in countless experiences or conversations lately where the situation feels gray, at best. You have a lot to say, but you're afraid to say it and worried that one wrong move will land you in the hot seat. From money and sex to dating and work and everything in between—it can all be so confusing! And when do we start talking about solutions instead of putting each other down? In *Modern Manhood*, reporter Cleo Stiller sheds light on all the gray areas out there, using conversations that real men and women are having with their friends, their dates, their family, and themselves. Free of judgment, preaching, and sugarcoating, *Modern Manhood* is engaging, provocative, and, ultimately, a great resource for gaining a deeper understanding of what it means to genuinely be a good man today.
