Vangelo secondo Giovanni Giorgio Zevini, 2009

The Transference of the Three Mediating Institutions of Salvation from Caiaphas to Jesus Raymond Ahoua, 2008 «It is better one man dies than the whole nation perishes» (Jn 11: 50). Caiaphas' sentence goes beyond ethical principles and religious expectations. It appears as the saying of a cynic politician. Besides, it is seen as the perfidious advice of a corrupted high priest to the members of the Sanhedrin. Who is this man on whose saying a school is formed? Who is this man who played the most important role in the death of Jesus? Indeed Caiaphas' sentence gives rise to the following relevant question: is the prohibition of killing (Dt. 5: 17), even the killing of a single individual in order to save a whole nation, legitimate? Thus, many issues that are associated with this high priest are associated with Jesus. The book is mainly an exegetical and comparative analysis of Jn 11: 45-54 and the Akan myth of the crossing of the river. By providing new theological insights into Caiaphas link to Jesus' death, it gives pertinent answers to the above questions.

**Il dono della comunione** Marc Ouellet, 2019-03-05T00:00:00+01:00 Riflessioni dell'attuale Prefetto della Congregazione per i Vescovi attorno alla gloria della comunione trinitaria. Questo libro offre una serie di riflessioni del Cardinale Marc Ouellet, attuale Prefetto della Congregazione per i Vescovi, il cui filo conduttore ruota attorno alla gloria della comunione trinitaria. L'umanità può partecipare a questa gloria ora, nel presente, attraverso la carne di Cristo, la carne del Risorto che viene donata qui e ora, in particolare nell'Eucaristia. Ciò porta l'Autore a fare una ricca presentazione del mistero eucaristico come anticipazione e rivelazione del mistero della Trinità. Molti dei testi inclusi nel libro provengono dalle meditazioni e dalle omelie che il Cardinale Ouellet ha tenuto in occasione della sua meditazione durante la Settimana Santa 2017 alla comunità di Iesu Communio e a un ampio gruppo di giovani in discernimento, che il Cardinale ha accompagnato con la sua presenza e la sua parola. «Siamo stati battezzati nel nome del Padre e del Figlio e dello Spirito Santo. Siamo stati immersi in queste relazioni, perché le tre persone divine sono il sigillo con cui il nostro essere è stato segnato. È una realtà, non un sogno» (Marc Ouellet)

**Origeniana Nona** György Heidl, Róbert Somos, 2009 This volume contains the written versions of the lectures delivered by the participants of the Colloquium Origenianum Nonum held in Pecs (Hungary, 29 August - 2 September 2005). The main

topic of the conference was Origen and the religious practice of his time. Here 49 scholars from some 18 countries publish their newest findings on the greatest and most influential Christian thinker before Augustine, who laid the foundation of the Biblical textual studies, created systematic theology, and was regarded as an authentic spiritual leader of Christianity. The papers not only provide the best overview on a lively field of studies but also demonstrate how Origen's heritage in Christian history, theology and spirituality carried with it the imprint of one of the most vital traditions of our civilization. Similarly to the volumes of the earlier conferences (Boston 1989, Chantilly 1993, Hofgeismar-Marburg 1997 and Pisa 2001), the contributions are published by the series *Bibliotheca Ephemeridum Theologicarum Lovaniensium*.

*Aneliti di risurrezione* Franco Manzi, 2019-04-08 Per i cristiani odierni che abitano nelle «terre dell'ombra» del disincanto e del dubbio, il modo principale per tenere vivo il desiderio di continuare a camminare alla sequela del Risorto verso Dio, cioè verso la risurrezione con Cristo e come lui, resta la preghiera. E tra le tante preghiere possibili, i Salmi dell'Antico Testamento hanno, da questo punto di vista, un'elevata fecondità spirituale. Don Manzi, con profondità e competenza, guida il lettore a riscoprire i fondamenti della fede cristiana nella vita eterna partendo dall'analisi di alcuni Salmi. Una rilettura originale di alcuni Salmi per vivere la speranza cristiana nell'aldilà, oltre l'ombra inquietante della morte.

**Commentary on a Canzone of Benivieni** Giovanni Pico della Mirandola, 1984 This work of Pico, though written in the form of a commentary on a poem by Benivieni, is actually a treatise on love. Pico intended the work to be read as a corrective to Marsilio Ficino's treatise on the same subject, *Commentary on Plato's Symposium*, and the two treatises were often read together, as in a French translation of the pair published in 1588. Pico's treatise was a major source for Castiglione's *Courtier* and Leo Hebreo's *Dialogues of Love*, and through them, as well as directly, influenced many artists and poets of the period, including Botticelli, Michelangelo, Spenser, and Jonson. Pico's treatise was admired not only for its views on love, but also for its allegorizations of classical myths.

*Giorgio Vasari* Patricia Lee Rubin,Maurice Rubin,1995-01-01 Vasari's Lives of the Painters, Sculptors, and Architects are and always have been central texts for the study of the Italian Renaissance. They can and should be read in many ways. Since their publication in the mid-sixteenth century, they have been a source of both information and pleasure. Their immediacy after more than four hundred years is a measure of Vasari's success. He wished the artists of his day, himself included, to be famous. He made the association of artistry and genius, of renaissance and the arts so familiar that they now seem inevitable. In this book Patricia Rubin argues that both the inevitability and the immediacy should be questioned. To read Vasari without historical perspective results in a limited and distorted view of The Lives. Rubin shows that Vasari had distinct ideas about the nature of his task as a biographer, about the importance of interpretation, judgment, and example - about the historian's art. Vasari's principles and practices as a writer are examined here, as are their sources in Vasari's experiences as an artist.
