The House of Hades: The Graphic Novel Rick Riordan,Robert Venditti,2024-09-24 The fourth exciting entry in Rick Riordan's best-selling Heroes of Olympus series is now a graphic novel! At the conclusion of The Mark of Athena, Annabeth and Percy tumble into a pit leading straight to the Underworld. The other five demigods have to put aside their grief and follow Percy's instructions to find the mortal side of the Doors of Death. If they can fight their way through the Gaea's forces, and Percy and Annabeth can survive the House of Hades, then the Seven will be able to seal the Doors from both sides and prevent the giants from raising Gaea. But, Leo wonders, if the Doors are sealed, how will Percy and Annabeth be able to escape? They have no choice. If the demigods don't succeed, Gaea's armies will never die. They have no time. In about a month, the Romans will march on Camp Half-Blood. The stakes are higher than ever in this adventure that dives into the depths of Tartarus.

The Earliest Commentary on the Prophecy of Habakkuk Timothy H. Lim, 2020-04-09 This is the first major commentary in English on Peshar Habakkuk for forty years. It elucidates the nature of 1QpHab as the earliest commentary on the prophecy of Habakkuk by a detailed study of the biblical quotation and sectarian interpretation. This commentary provides a new edition of the scroll, including new readings, and detailed palaeographical, philological, exegetical and historical notes and discussion. It shows that the pesherist imitates the allusive style of the oracles of Habakkuk and also draws on lexemes, phrases, and themes from other biblical texts and Jewish sources. It shows that the pesherist identified the Kittim with the Romans who conquered Judaea in 63 BCE, and suggests that the scroll refers to several righteous and wicked figures, including the last Hasmonean high priests.

The Eighth House Eris Adderly, 2017-08-28 Catch me, Darkness. Again and again. The life of a virgin goddess might suit Artemis or Athena, but Persephone, daughter of Zeus, wants no part of it. While the rest of the immortals cavort, she grows restless in the shadow of Olympos. Rules, rules. Always the rules. Her mother's edict forbids her the company of any male god. She can't speak to them, can't look at them. Can't even attend the Olympian feasts. As far as Demeter knows, her daughter remains a maiden. But Persephone leads a double life. She finds her affection elsewhere, and in plentiful supply. If only the sons of Man made her happy. If only she could put a name to this need she feels. It grows by the day, dark and unfulfilled. An eternity of enforced loneliness looms, and Persephone contemplates a drastic choice to escape it. Only one thing stands in her way. Hades. Where earthquakes rend hill and vale asunder, and the abyss yawns to devour falling screams, the black halls of the Underworld await. The Lord of the Dead follows only one set of rules: his own. And he expects Persephone to obey. Eris Adderly draws you into a spectacular world of dark mythology, where legends bloom with sensual new life and the stories you thought you knew turn out to be just the beginning. This scorching hot romance takes the reader

on a journey of discovery and submission, including graphic descriptions of sexual acts, and is intended for mature readers only.
