Remember Me, and I Will Remember You Tallal Alie Turfe, 2016-11-09 When we think about something we need, we usually cannot overcome that thought until the perceived need is satisfied. For example, if we need food or water, our minds constantly think about how hungry or thirsty we are until we have something to eat or quench our thirst. Similarly, one who understands how much he or she is in need of God will constantly think about God. When we have faith and the desire to receive God's grace and mercy, we will turn to the remembrance of Him. In *Remember Me, and I Will Remember You, Dhikr: The Soul of Islam*, author Tallal Alie Turfe, a champion for religious tolerance, underscores the importance of remembrance and how we can better use it to improve our health and lifestyle. He sheds light on the concept of remembrance and its importance as a reminder of our gratitude to the Creator. The Arabic term for remembrance is *dhikr*, which inspires us to do good, but it also heals, energizes, and transforms our lives. When engaging in *dhikr*, we feel more forgiving and enthusiastic. *Dhikr* is the adhesive that binds the mind and heart together. It serves as a key link in the dynamic between praising God and receiving blessings from Him. *Remember Me, and I Will Remember You, Dhikr: The Soul of Islam* will help you understand and use *dhikr* to achieve a better relationship with God and the world around us.
