J. A. Jance

Dance of the Bones J. A. Jance, 2015-09-08 J. P. Beaumont and Brandon Walker, two of New York Times bestselling author J. A. Jance's most acclaimed series characters, join forces for the first time in one of the most suspenseful works of her career. Years ago, Amos Warren, a prospector, was gunned down out in the desert and Sheriff Brandon Walker made the arrest in the case. Now, the retired Walker is called in when the alleged killer, John Lassiter, refuses to accept a plea deal that would release him from prison with time served. Lassiter wants Brandon and The Last Chance to find Amos's real killer and clear his name. Sixteen hundred miles to the north in Seattle, J.P. Beaumont is at loose ends after the Special Homicide Investigation Team, affectionately known as S.H.I.T., has been unexpectedly and completely disbanded. When Brandon discovers that there are links between Lassiter's case and an unsolved case in Seattle, he comes to Beau for help. Those two cases suddenly become hot when two young boys from the reservation, one of them with close ties to the Walker family, go missing. Can two seasoned cops, working together, decipher the missing pieces in time to keep them alive?

Blessing of the Lost Girls J. A. Jance, 2023-09-19 From J. A. Jance's New York Times bestselling Brady and Walker novels, federal investigator Dan Pardee, Brandon Walker's son-in-law, crosses paths with Sheriff Joanna Brady as he traces the bloody path of a merciless serial killer across the Southwest in this intense thriller. Driven by a compulsion that challenges his self-control, the man calling himself Charles Milton prowls the rodeo circuit, hunting young women. He chooses those he believes are the most vulnerable, wandering alone and distracted, before he strikes. For years, he has been meticulous in his methods, abducting, murdering, and disposing of his victims while leaving no evidence of his crimes—or their identities—behind. Indigenous women have become his target of choice, knowing law enforcement's history of ignoring their disappearances. A cold case has just been assigned to Dan Pardee, a field officer with the newly formed Missing and Murdered Indigenous People's Task Force. Rosa Rios, a young woman of Apache descent and one-time rodeo star, vanished three years ago. Human remains, a homicide victim burned beyond recognition, were discovered in Cochise County around the time she went missing. They have finally been confirmed to be Rosa. With Sheriff Joanna Brady's help, Dan is determined to reopen the case and bring long-awaited justice to Rosa's family. As the orphaned son of a murdered indigenous woman, he feels an even greater, personal obligation to capture this killer. Joanna's daughter Jennifer is also taking a personal interest in this case, having known Rosa from her own amateur rodeo days. Now a criminal justice major, she's unofficially joining the

investigation. And as it becomes clear that Rosa was just one victim of a serial killer, both Jennifer and Dan know they're running out of time to catch an elusive predator who's proven capable of getting away with murder.

Kiss of the Bees J. A. Jance, 2001-01-09 Jack the Bookman.

Kiss of the Bees J. A. Jance, 2009-03-17 Twenty years ago, a darkness rose up out of the blistering heat of the Arizona desert and descended upon the Walker family of Tucson. A personified evil, a serial killer named Andrew Carlisle, brought blood and terror into their world, nearly murdering Diana Ladd Walker and her young son, Davy. Now much has changed. The family has grown larger. There's Lani, the beloved adopted daughter—a beautiful Native American teenager kissed by the bees and destined, according to Tohono O'odham lore, to become a woman of great spiritual power. And now that the psychopath Carlisle has died in prison, Brandon and Diana Walker believe that their long nightmare is finally over. They are wrong. The monster is dead, but his malevolence lives on . . . in another.

Hour of the Hunter J. A. Jance, 2009-03-17 The hunter is free to kill again -- and hour by hour, he draws closer . . . The brilliant psychopath Andrew Carlisle spent only six years in prison for the brutal torture-murder of a young girl of the Tohono O'odham tribe. The testimony of Diana Ladd -- a teacher on the reservation -- put Carlisle behind bars, and now she can't ignore the dark, mystical signs that say a predator has returned to prowl the Arizona desert. Because no matter where Diana and her young son hide . . . he will find them.

Queen of the Night J. A. Jance, 2011-03-29 Every summer, the Queen of the Night flower blooms in the Arizona desert—a sacred event commemorated throughout the Tohono O'odham Nation. But this year, one couple's celebration is prematurely destroyed by gunfire . . . and the sole witness to the carnage is a little girl who has lost the only family she's ever known. Dr. Lani Walker recognizes the trauma of her own childhood reflected in her devastated young patient. Joining Dan Pardee—a member of the unorthodox Shadow Wolves border patrol—Lani vows to keep the child safe while tracking down a ruthless killer. Meanwhile, Lani's adoptive father, retired homicide detective Brandon Walker, sees a break in his investigation of the long unsolved murder of an Arizona State University coed—while his wife, Diana Ladd, relives terrible memories of a man whose death haunts her still.

Day of the Dead J. A. Jance, 2009-10-13 The smash New York Times bestselling author continues the chilling tale begun in Kiss of the Bees and Hour of the Hunter with this shocking new tale of knife-edge suspense The Walker family survived the atrocities perpetrated by a serial killer and his crazed acolyte in both Hour of the Hunter and Kiss of the Bees. But can they escape the vengeance of a new enemy whose target is their precious daughter, Lani? Told they're traveling to a loving adoptive family in southern Arizona, young girls are being spirited away from an orphanage deep in Colonial Mexico. But the fate that awaits them is truly horrifying. And when death comes, it will be a blessing. Former Sheriff Brandon Walker is a

reluctant retiree. Golf just can't replace the action and sense of purpose his job provided. When he's invited to join The Last Chance Club to review and long-cold unsolved cases, he has no idea that the first case to cross his path will be one he may have botched as a young sheriff. And when the case from all those decades past becomes entangled with a current murder, it seems a serial killer with a very long and shocking track record may be back in business . . .

Long Time Gone CDN Judith A. Jance, 2012-12-15

Day of the Dead J. A. Jance, 2010-06-29 Thirty years ago, the butchered body of a local Papago girl was found stuffed into a large cooler on the side of Highway 86. No one was ever charged for the crime. Few even cared. And no one suspected it was just the beginning. Retired Pima County Sheriff Brandon Walker's work with The Last Chance—an exclusive, nationwide fraternity of former lawmen investigating unsolved homicides—has brought new purpose to his life. But a gruesome, three-decades-old cold case is leading him into a strange world at the unlikely border between forensic science and tribal mysticism—a place where evil hides behind a perfect façade. A long-forgotten murder in the Arizona desert now threatens to bring home a new horror for Walker and his family, who have already survived the dark hunger of two human monsters. And suddenly the relentless ex-cop is the only person who can still unravel a blood knot of terror and obsession before the innocent die again.
