The second part of Henry the fourth, ed. by A.D. Innes William Shakespeare,1889

Philosophy and Religion Strong,1888

Just Give Me Your Last Name Temi Olaniyan,2019-06-10 Just Give Me Your Last Name is a book that was born out of the life of a frustrated single waiting endlessly for love. This book takes you through my journey of finding true love in singleness and becoming whole in that process. The aim of this book is to give you a different perspective to single life and to help you embrace your single journey as you hope to embrace the marriage journey. The book is about finding the silver lining in the seemingly cloud of single life and letting that lining trump the cloud until the gloss of your single life is evident to the world. My hope is that as you read this book, you will prioritize finding and giving love as a single person instead of waiting for love to find you. This book will move you to the front seat of your single life, have you switch to cruise mode, and soar the length and breadth of singleness in confidence. This book will make you laugh, get you thinking, and ultimately, move you to action that will birth the change you always hoped for.

Steal The Show Michael Port,2015-10-06 A Wall Street Journal, USA Today, and Publishers Weekly bestseller. A powerful way to master every performance in your career and life from a top business coach and former professional actor. Every interaction is a performance, and much of our success—professional and personal—hinges on being able to inspire an

audience. And while some people seem to be naturals in the spotlight, this ability very rarely derives from talent alone. Confident communication is a skill, and anyone can learn how to do it. In *Steal the Show*, New York Times best-selling author, top-rated corporate speaker, and former professional actor Michael Port teaches you how to make the most of your own moments in the spotlight. He makes it easy to give your presentations a clear focus, engage your listeners, manage your nerves, play the right role in every situation to give your message maximum impact, and much more. Drawing on his MFA training at the prestigious Graduate Acting Program at New York University, Port has engineered a system that the non-actor can use to ensure his or her voice is heard when it matters most.
