**Introduction to the Old Testament, set of four books (Prophetic, Poetic, Pentateuch, Historical)** C. Hassell Bullock, David Howard Jr., Herbert Wolf, 2007-09-01 This package contains all four books of An Introduction to the Old Testament set: An Introduction to the Old Testament Historical Books, An Introduction to the Old Testament Poetic Books, An Introduction to the Old Testament Prophetic Books, and An Introduction to the Old Testament Pentateuch. In An Introduction to the Old Testament Historical Books, incredible events, amazing love stories, larger-than-life personalities and deep theological implications and themes are just part of the treasure that awaits readers. These books tell the story of the nation of Israel and the God who loves her, punishes her, and always brings this recalcitrant people back to Himself. In An Introduction to the Old Testament Poetic Books, C. Hassell Bullock, a noted Old Testament scholar, delves deep into the hearts of the five poetic books, offering readers helpful details such as hermeneutical considerations for each book, theological content and themes, detailed analysis of each book, and cultural perspectives. In An Introduction to the Old Testament Prophetic Books, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In An Introduction to the Old Testament Pentateuch, Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch.
