

Mother And Son Book

Emerson Eggerichs

Mother and Son Dr. Emerson Eggerichs, 2016-04-05 From the New York Times best-selling author of *Love & Respect* comes the definitive book for mothers and sons. Love is important, but it is respect that is the key to your son's heart. Dads and their boys are often best buddies. But what's the key to a successful and healthy mother-son bond? Informed by relevant scripture and up-to-date psychological research, Emerson Eggerichs, Ph.D., explores this foundational relationship to show how loving and respecting your little boy can help him grow into a mature, responsible, and godly man. The idea of moms respecting their sons may sound strange to some. It's easy to recognize that little girls need dad's love, but who is strongly promoting the truth that little boys (and big ones) need mom's respect? In *Mothers & Sons: The Respect Effect*, readers will discover: Why respect matters in a mother-son relationship A method based on the testimonies of thousands of mothers Specific responses that can be given instead of how you would "normally" respond Practical applications, especially for parenting teen boys Just as Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, you can apply these same principles to transform your relationship with your son. *Mother & Son* is also available in Spanish, *Madre e hijo*.

Why a Son Needs a Mom Gregory E. Lang, Susanna Leonard Hill, 2021-04-01 Based on Gregory Lang's New York Times bestselling original series! The perfect Valentine's Day gift of love or sweet keepsake to show why Mom is so special! A touching picture book for kids ages 3-7 and beyond showcasing all the ways a mother will help her child grow, this is the gift for every mom and little boy to celebrate their special bond. Featuring charming animal illustrations and heartwarming rhymes about the loving moments mothers and sons share, *Why a Son Needs a Mom* is the perfect story to connect mother and son together. From the moment that I saw your beautiful face, Held you close to my heart in a mother's embrace, I promised to help you grow with strength and grace. My dear one, my sweet son, my boy. For new moms, mothers-to-be, or for that perfect mother-son moment at birthdays and other special occasions all year, this sweet storybook celebrates how a mother helps her little boy grow with strength and love.

Breaking the Mother-Son Dynamic John Lee, 2015-08-04 Therapists and the general public are familiar with the terms (s)mothering, helicopter moms, and boomerang sons because they have been popularized in films like *Monster in Law*, *Cyrus* and *Failure to Launch*—but what makes for humorous fodder onscreen depicts a troubling issue that's being played out for

real in therapists' offices, bedrooms, and divorce courts across the nation: an epidemic of men who are enmeshed in unhealthy, energy-sucking, and emasculating relationships with their mothers. Even though these men are grown and living away from Mom, her influence has left them unable to fully commit or to fully love, and they are plagued with anger issues, indecisiveness, depression, or toxic stress. In *Breaking the Mother-Son Dynamic*, John Lee takes an eye-opening look at how a mother's love or lack thereof impacts a son's life choices and life partner or lovers. Perhaps you are one of these men (or maybe you recognize these behaviors in the man you love). Do you hold back, swallow, or bottle up things you wish you could say to your mother for fear it would upset or kill her? Did you grow up hearing negative things about men, masculinity, being a male, and how you shouldn't be like 'the rest of them'? Does your mother, or did she, fail to respect your boundaries as a child, adolescent, or adult? Does your mother keep referring to you as her baby or her little boy even after you became an adult? If you answered yes to any of these questions, you may be caught in an unhealthy mother-son dynamic that is negatively affecting key areas of your life. Several years ago, John Lee wrote what came to be the most authoritative book on why men run from relationships, *The Flying Boy: Healing the Wounded Man*. Here, he visits the mother-son relationship and gently but assertively shows men how to separate from the mother energy that has a massive pull on their hearts and souls, no matter how young or old they may be. In a work that is a combination of memoir, self-help psychology, recovery and personal growth, he discovers: why a relationship of 50-50 responsibility doesn't work, and what does work; how men can stop sonning mothers, lovers, and wives; why one must learn his or her own rhythm of closeness; how to be really present to those we love and to life itself; and much, much more. Using case studies, personal stories, and assessments, the book helps men release any anger and grief toward their mothers and teaches them how to take responsibility for their adult selves; most importantly, Lee provides an understanding of what healthy adults should—and shouldn't—expect from each other. Lee shows wives and girlfriends how to stop being their man's surrogate mother and shows well-meaning mothers how certain behaviors may perpetuate an unhealthy cycle and how to better relate to their sons in healthier ways. By helping mothers and sons identify this dynamic and providing them with the tools to dismantle it, this book will change lives. For anyone who is ready to make a clean, clear, and guilt-free separation from the kind of (s)mothering and sonning that just hasn't worked, John Lee will show them the way.

Mother and Son Emerson Eggerichs, 2016 From the New York Times best-selling author of *Love & Respect* comes the definitive book for mothers and sons. Love is important but it is respect that is the key to your son's heart. As Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect, he now turns these principles to one of the most important relationships of all, a mother and her son. The idea of moms respecting their sons may sound alien to some, but it seems to ignite curiosity across the board. It is easy to relate to the need for all of us to feel a mother's love, but is that the same thing as respect? Even for young boys, the effect of respect is nothing short of astounding

when applied properly. Moms yearn to learn anything that better helps them with their sons. After all, they love their boys, but many find them more difficult to parent than their girls, especially from age four and up. What makes this all the more urgent is that moms are coaching fathers to love their daughters, but no one has said boo to moms on specific ways to show respect to their sons, at least not in a way that is applicable and fully explained. All realize that little girls need daddy's love, but who is strongly promoting the truth that little boys (and big ones) need Mom's respect? No wonder mothers feel left in the dark on this topic. *Mother & Son* is also available in Spanish, *Madre e hijo*.

Mother to Son, Revised Edition Melissa Harrison, Harry H. Harrison, Jr., 2013-05-07 The most important job in the world This treasury of wisdom, humor, and love is a guide for every step of the exhilarating, sometimes exasperating journey that begins with those three wonderful words: It's a boy! Its hundreds of lessons from mother to son include instilling values and confidence. Knowing when to say yes, and when to say no. It's filled with the importance of nurturing responsibility: Teach him that the world will judge him by his actions, not his intentions. Fun stuff: Have tea with him in the afternoons. Serve cookies. And when he's ready to go: Hug him fiercely.

The Secret Love of Sons Nicholas Weinstock, 1997 With humor and intelligence, and with the help of hundreds of confidential interviews, Weinstock has discovered the startling place that mothers hold in the heads and hearts of growing men. By offering his own memories and reflections as well as the personal disclosures of other sons, he not only explains the mindsets that drive boys from the nest and keep them insistently independent from their moms, but also illuminates the many ways in which mothers have deeply and continuously affected their sons' lives. What emerges in this profound book is a love letter to mothers, and a smart and surprising blueprint to the emotions of sons of all ages and backgrounds. Men vividly recall their maternally crafted childhoods and reflect gratefully on the solid support and high expectations of these women who knew them even before they knew themselves. But sooner or later every growing boy gets the message that he is obligated to become a man, to leave the secret garden he shared with his mother and assert himself in a world that frowns on mama's boys. How sons seek to distinguish themselves, how they act on and shelve their deeper feelings, and how their mothers' contributions are incorporated into their developing lives are the revelations contained in *The Secret Love of Sons* - wisdom that both mothers and sons have gone without for far too long.

Mothers and Sons Babette Smith, 1995 The mother/son relationship is defined by powerful cultural myths. On the one hand it is idealized: the bond between mother and son is exalted as the purest and most fulfilling in a women's life and an unquestioning source of love in a man's life. On the other hand it is vilified. Mother love is portrayed as stifling, limiting or even castrating. Mothers are blamed for flaws in their son's personalities and for any sexual orientation which is not strictly heterosexual. This study attempts to reveal the truth behind these myths and lifts the lid on decades of uneasy family relationships.

Strong Mothers, Strong Sons Meg Meeker,2014-04-08 A timely and empowering book featuring “solid, practical advice for women on how to properly nurture their sons” (Kirkus Reviews). From the moment a mother holds her newborn son, his eyes tell her that she is his world. But often, as he grows up, the boy who needs her simultaneously pushes her away. Calling upon thirty years of experience as a pediatrician, Meg Meeker, M.D., a highly sought after national speaker, assistant professor of clinical medicine, and mother of four, shares the secrets that every mother needs to know in order to strengthen—or rebuild—her relationship with her son. Boys today face unique challenges and pressures, and the burden on mothers to guide their boys through them can feel overwhelming. This empowering book offers a road map to help mothers find the strength and confidence to raise extraordinary sons by providing encouragement, education, and practical advice about • the need for mothers to exercise courage and be bolder and more confident about advising and directing their boys • the crucial role mothers play in expressing love to sons in healthy ways so they learn to respect and appreciate women as they grow up • the importance of teaching sons about the values of hard work, community service, and a well-developed inner life • the natural traps mothers of boys often fall into—and how to avoid them • the need for a mother to heal her own wounds with the men in her life so she can raise her son without baggage and limitations • the best ways to survive the moments when the going gets tough and a mom’s natural ways of communicating—talking, analyzing, exploring—only fuel the fire When a mother holds her baby boy for the first time, she also instinctively knows something else: If she does her job right and raises her son with self-esteem, support, and wisdom, he will become the man she knows he was meant to be.

What a Son Needs from His Mom Cheri Fuller,2013-03-15 Ever Feel Like Your Son Is From a Different Planet? Don't worry, Mom. There's a good reason why your son perplexes you. He's the OPPOSITE sex! Boys really do think, communicate, and process the world differently than girls. But no matter your son's age, he needs you, and he needs you in not-so-apparent ways. Drawing from her own experiences, as well as those from moms and sons from around the country, Cheri Fuller shares

what makes boys and young men tick and how to become a more welcome influence at every stage in their lives. She answers all the top questions, including: How can I help my son (and me!) deal with his emotions in a healthy way? School is such a struggle. How can I help him? Our personalities are SO different. How can we get on the same page? My son hardly says a thing. What can I do? What are the best ways to instill good values? How can I encourage a lasting faith in God? With page after page of use-it-today advice and encouraging stories, this book will help you steer your son toward becoming a caring, confident young man. Includes Reflection Questions for Personal or Group Use Great for understanding grandsons, too! Some mother-son relationships seem to add credence to the adage that 'men are from Mars, women are from Venus.' Even mothers who have a close bond with their sons may think they harbor a complete stranger when their male offspring reach puberty. Fuller is a speaker and author, as well as mother of three (two boys and a girl) and grandmother of six. She lists specific activities that all sons need from their mothers, such as encouragement, communication, prayer, and confidence-building. She adds questions at each chapter's end to 'ponder, journal or discuss,' lending the book to both individual and group study. Recommended for the parenting section of any church library. --Church Libraries
