Detox Your Circle, Activate Your Destiny Ernest Sears Jr, 2019-01-14 After doing over fifteen years of hard time in a cubicle or office, you and your laptop have found Nirvana at the Starbucks around the corner. Mercifully, the career is over; the kids are gone. Now there is nothing left to distract you from the elephant in the room. You stare at your significant other with the most disconcerting doubts about whether the relationship has run its natural course. You own up to your part in friendships that have become more like placeholders. Years of meaningless, if tenuous, connection have left you hollow. Detox Your Circle, Activate Your Destiny establishes the premise for removing thirteen toxic elements—people, self-sabotaging behaviors, baggage, and meaningless rituals, to name a few—and demonstrates how decluttering can trigger a very powerful clarity. When we detox our Rolodex, our true nature and essence attract more of who we are. What ensues is a resonance that sets the tone and cosmic parameters for fulfilling destiny.

This book also investigates the many different contexts for illustration, and the range of career opportunities that are open to today's illustrators; from editorial illustration in newspapers and magazines, to book publishing, illustration for advertising, design, music, fashion, websites, and the increasing demand from stock libraries.
