## Elin Hilderbrand

**On the Beach** Nevil Shute, 2010-02-09 The most shocking fiction I have read in years. What is shocking about it is both the idea and the sheer imaginative brilliance with which Mr. Shute brings it off. THE SAN FRANCISCO CHRONICLE They are the last generation, the innocent victims of an accidental war, living out their last days, making do with what they have, hoping for a miracle. As the deadly rain moves ever closer, the world as we know it winds toward an inevitable end....

**The Beach Club** Elin Hilderbrand, 2010-04-01 In The Beach Club, the juicy first novel by talented newcomer Elin Hilderbrand, a series of personal dramas are played out during one summer at a Nantucket Beach Club. It's about the love of summer, summer love, and the special feelings we all have for that special summer place--in this case, a hotel and an island. Mack Petersen, manager of the hotel, has been working at The Beach Club for 12 summers. Only this summer is different. His boss, the owner of the hotel, Bill Elliot, shows up in the spring with a new set of demands. His girlfriend Maribel is pressing Mack to get married and Vance, the African-American bellman, who has hated Mack since the day Mack stole his job 12 years ago, threatens him in a deadly scene. Mack knows something's got to give. Love O'Donnell, the new front desk person straight from the slopes of Aspen, is desperately searching for a stranger to father her child. The bellman, Jem Crandall, who posed as Mr. November in his college calendar, is on his way to LA to break into agenting, until he falls in love with Maribel. Emotions are at a peak when a hurricane threatens to wash away The Beach Club and all it stands for. An engrossing, sexy novel that will sweep you away to the beach any time of the year.

**The Beach** Alex Garland, 1997 The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to the Beach. The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over

time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

*On the Beach* Nevil Shute Norway, 2022-08-01 In *On the Beach*, Nevil Shute Norway crafts a haunting and poignant narrative set in a post-apocalyptic world following a nuclear catastrophe. The novel employs a stark yet lyrical prose style, encapsulating the bleakness of a dying planet while simultaneously exploring the resilience of the human spirit. Through the interwoven lives of its characters—each navigating the harrowing reality of impending oblivion—Shute deftly examines themes of love, loss, and acceptance in the face of existential dread. The novel stands as a significant work within the literary genre of dystopian fiction, reflecting the anxieties of the Cold War era and the very real threat of nuclear annihilation that permeated public consciousness during the 1950s. Nevil Shute, an English novelist and aeronautical engineer, drew upon his personal experiences and profound understanding of human nature to craft this powerful narrative. His engineering background and the tumultuous historical context of World War II and the atomic bomb significantly influenced his perspective on the fragility of life and the moral implications of technological advancement. Shute's intimate grasp of human emotions renders his exploration of despair and hope all the more poignant. *On the Beach* is an essential read for those intrigued by the moral dilemmas of humanity and the legacies of war. Its profound insight into human relationships amid terminal uncertainty resonates deeply in today's complex world and encourages readers to reflect on their interconnectedness and the value of life itself.

**A Walk Along the Beach** Debbie Macomber, 2020 Two sisters facing challenging odds must rely on each other more than ever before in a gorgeous new novel from #1 New York Times bestselling author Debbie Macomber. Inseparable since the sudden loss of their mother as teenagers, Willa and Harper Lakey are perfect opposites. Quiet, demure Willa has always admired Harper's sense of fearlessness and adventure, but enjoys her peaceful routine as a caf owner in their quaint, coastal hometown of Oceanside, Washington. When a handsome customer shows interest in Willa, Harper urges her sister to take a chance on love--something totally out of Willa's comfort zone. But just as Willa begins to explore the possibilities, Harper receives crushing news that threatens to bring everything to a screeching halt. Though the time ahead may be trying, little do Willa and Harper know that it will bring about the most beautiful rewards.

*The Beach Trap* Ali Brady, 2022-06-14 Two best friends torn apart by a life-altering secret. One summer to set the record straight. When twelve-year-olds Kat Steiner and Blake O'Neill meet at Camp Chickawah, they have an instant connection. But everything falls apart when they learn they're not just best friends—they're also half sisters. Confused and betrayed, the girls break off all contact. Fifteen years later, when their father dies suddenly, Kat and Blake discover he's left them a joint

inheritance: the family beach house in Destin, Florida. The two sisters are immediately at odds. Blake, who has recently been demoted from regular nanny to dog nanny, wants to sell the house, while social media influencer Kat is desperate to hold on to the place where she lived so many happy memories. Kat and Blake reluctantly join forces to renovate the dilapidated house, with the understanding that Kat will try to buy Blake out at the end of the summer. The women clash as Blake's renovation plans conflict with Kat's creative vision; meanwhile, each sister finds herself drawn into a summer romance. As the weeks pass, the two women realize the most difficult project they face this summer will be coming to grips with their shared past—and learning how to become sisters.

**Beach Blues** Joanne DeMaio, 2016-05-17 New York Times bestselling author Joanne DeMaio invites you to spend the summer by the sea, in a quaint New England beach town where friends and love await just outside the cottage doors. Celia Gray finds herself house-sitting a silver-shingled cottage at Stony Point. She arrives with her guitar, a few staging jobs ... and a bit of summertime sadness. That is, until an unforgettable group of beach friends draws her in like a breath of salt air. Sal DeLuca heard the words in a dream: Take me to the sea. So after a decade of demanding work, he takes his first vacation in years. Trading in his suit and tie for blue jeans and boat shoes, Sal unexpectedly arrives at his mother's shabby inn on the Connecticut shore, winding his way into the lives and hearts of the close-knit beach community. When Stony Point's two wash-shores, Sal and Celia, meet, some say it's a match made in beach-heaven. And so begins a sweet seaside summer ... forging friendships, adventures and new love. But all is not at ease in the gentle sea breeze as a dark secret turns the tide for the Stony Point crew. *Beach Blues* is a novel bringing you right to its secluded fishing shack and weathered boardwalk, to its wooden rowboat and lantern-lit porches. A novel that welcomes you, as much as it may break your heart.

*Beach Read* Emily Henry, 2020-05-19 FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF FUNNY STORY! A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. As featured in The New York Times Book Review • Entertainment Weekly • Oprah Magazine • Betches • Shondaland • Good Morning America • The New York Post • Good Housekeeping • CNN • and more! Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really.

**The New Orleans of Fiction** James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans-centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The New Orleans of Fiction: A Research Guide*, James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies (i.e., class, ethnicity, gender, immigrant experience, and race). The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction—as well as literary fiction—are included.

*The Beach at Painter's Cove* Shelley Noble, 2017-06-13 From the New York Times bestselling author of *Whisper Beach* comes another heartwarming story of four generations of women who reunite in their crumbling family mansion by the sea for a dramatic summer filled with love, family, secrets and sisterhood. The Whitaker family's Connecticut mansion, *Muses by the Sea*, has always been a haven for artists, a hotbed of creativity, extravagances, and the occasional scandal. Art patrons for generations, the Whitakers supported strangers but drained the life out of each other. Now, after being estranged for years, four generations of Whitaker women find themselves once again at *The Muses*. Leo, the Whitaker matriarch, lives in the rambling mansion crammed with artwork and junk. She plans to stay there until she joins her husband Wes on the knoll overlooking the cove and meadow where they first met. Her sister-in-law Fae, the town eccentric, is desperate to keep a secret she has been hiding for years. Jillian, is a jet setting actress, down on her luck, and has run out of men to support her. She thinks selling *The Muses* will make life easier for her mother, Leo, and Fae by moving them into assisted living. The sale will also bring her the funds to get herself back on top. Issy, Jillian's daughter, has a successful life as a museum exhibit designer that takes her around the world. But the *Muses* and her grandmother are the only family she's known and when her sister leaves her own children with Leo, Issy knows she has to step in to help. Steph, is only twelve-years-old and desperately needs someone to fire her imagination and bring her out of her shell. What she begins to discover at the *Muses* could change the course of her future. As Issy marshals the family together to restore the mansion and catalogue the massive art collection, a surprising thing happens. Despite storms and moonlight dancing, diva attacks and cat fights, trips to the beach and flights of fancy, these four generations of erratic, dramatic women may just find a way to save the *Muses* and reunite their family.

**Eating and Identity in Postcolonial Fiction** Paul Vlitos, 2018-10-11 This book focuses on the fiction of four postcolonial authors: V.S. Naipaul, Anita Desai, Timothy Mo and Salman Rushdie. It argues that meals in their novels act as sites where the relationships between the individual subject and the social identities of race, class and gender are enacted. Drawing upon a variety of academic fields and disciplines — including postcolonial theory, historical research, food studies and recent attempts to rethink the concept of world literature — it dedicates a chapter to each author, tracing the literary, cultural and historical contexts in which their texts are located and exploring the ways in which food and the act of eating acquire meanings and how those meanings might clash, collide and be disputed. Not only does this book offer suggestive new readings of the work of its four key authors, but it challenges the reader to consider the significance of food in postcolonial fiction more generally.

*Landscapes of the New West* Krista Comer, 1999 In the early 1970s, empowered by the civil rights and women's movements, a new group of women writers began speaking to the American public. Their topic, broadly defined, was the postmodern American West. By the mid-1980s, their combined works made for a bona fide literary groundswell in both critical and commercial terms. However, as Krista Comer notes, despite the attentions of publishers, the media, and millions of readers, literary scholars have rarely addressed this movement or its writers. Too many critics, Comer argues, still enamored of western images that are both masculine and antimodern, have been slow to reckon with the emergence of a new, far more feminine, postmodern, multiracial, and urban west. Here, she calls for a redesign of the field of western cultural studies, one that engages issues of gender and race and is more self-conscious about space itself\_ especially that cherished symbol of western authenticity, open landscape. Surveying works by Joan Didion, Wanda Coleman, Maxine Hong Kingston, Leslie Marmon Silko, Barbara Kingsolver, Pam Houston, Louise Erdrich, Sandra Cisneros, and Mary Clearman Blew, Comer shows how these and other contemporary women writers have mapped new geographical imaginations upon the cultural and social spaces of today's American West.
