**Victor Francis Calverton, Samuel Daniel Schmalhausen**

An Outcast in Another World Kamikaze Potato, 2021-09-12 Rob was an ordinary college sophomore when a pitch-back portal opened up on campus and tried to kidnap his best friend. An act of heroism resulted in him being taken instead, and he was rewarded for his efforts by being transported to another world with nothing but a sword and the clothes on his back. On the first day, he almost died. On the second day, he almost died. On the third, he began to notice a worrying trend. And almost died Whether he encounters wolves, cliffs, dungeons, monsters, or diseases, every day is a struggle to survive. The one advantage he has is his newfound ability to gain Levels and Stats, making himself stronger in order to survive the hostile lands that he was unceremoniously dumped into. He'll have to gain knowledge of the innerworkings of the world and its magic - progressing both his strength and his knowledge - in order to stay alive long enough to get revenge on whoever kidnapped him away from everything he knew and loved. Overcoming the wilds is just the first step in his journey; the locals aren't fond of humans, and discovering the dark past behind this new world's history of war and strife changes everything. As far as isekai adventures go, Rob drew the short straw in many ways, but it'll take more than danger at every corner to keep him down. He'll carve out a place in this world with his bare hands if necessary. He'll survive, and then he'll thrive. Whether anyone wants him to or not. -- An Outcast On Another World puts a great focus on story and characterization, making it perfect for fans of traditional fantasy stories, while still including plenty of skills, stats, classes, and progression for LitRPG-lovers to enjoy. The LitRPG elements are incorporated into the main story to construct a cohesive world that's easy to immerse yourself in. Rob's progression is weak to strong, and victories aren't handed to him on a silver platter. No matter how powerful he gets, mid-combat ingenuity is essential to achieving victory. An Outcast In Another World has dark elements to its narrative, but I've included appropriate humor as a balance, and many readers have told me that some parts made them burst out laughing while other parts tugged at their heartstrings. I truly believe that I've constructed a memorable fantasy RPG story that all types can love, and that you'll enjoy reading it as much as I enjoyed writing it.

**An Outcast in Another World 4** Kamikazepotato, 2023-01-18 Quiet days are to be treasured - but sooner or later, they always end. After curing the Corruption plague in Fiend territory, Rob, Riardin's Rangers, and the Deserters have settled into their new home. It's given them the stability they've been striving for ever since being forced to flee The Village so many months ago. Unfortunately, their well-earned rest is cut short when a Dwarven messenger arrives, begging for assistance.

The Blight has returned. And without Rob's help, Dwarven territory will fall. Naturally, things aren't that straightforward. As the mission evolves into something even beyond killing an eldritch abomination, Rob's strength and willpower will be tested. Whether it's mingling with world leaders, contemplating the Dragon Queen's fraying sanity, or discovering shocking secrets about the system itself, there's never a dull moment for Riardin's Rangers. Maybe one day they'll get the lasting peace they so desperately desire. But for now, there are enemies that need killing. About the series: *An Outcast in Another World* is a LitRPG adventure series with elements of fantasy, portal fantasy, isekai, progression, and weak-to-strong character development. Victories are difficult but earned. Rob gains strength at a rate that continuously increases his importance in the world, but without making his allies irrelevant. The plot has consistent forward momentum, and the story's cast of characters is fully fleshed-out, each with their own struggles. Fight scenes are high-octane brawls that involve creative applications of Rob's abilities. Get your copy today!

*An Outcast in Another World 5* Kamikazepotato,2023-08-10 The shadow of war looms over Elatra. Rob and Riardin's Rangers have returned triumphant after assisting Dwarven territory and Merfolk territory. They endured Blights, betrayals, and bombs, barely managing to prevail over the many trials that assailed them. An alliance has been brokered between nations, and for the first time, the Blight seems like it's on the ropes. Unfortunately, there's never rest for the weary. It isn't long before they hear news of a brewing war between the Harpies and Dragonkin. Confused and concerned, the newly-formed allied coalition heads down to find out what's going on - only to become embroiled in a dark conspiracy that threatens to shake Elatra to its core. As Corruption rises in Harpy territory, Rob finds himself surrounded by enemies on all sides. With two Leaders, the Blight, and the gods all setting their sights on him, the stakes have never been higher. He has no choice but to fight onwards, motivating himself with the knowledge that peace lies at the end of this long, bloody road. If he can hold onto his sanity, that is.
