The Phantom's Opera Sadie Montgomery,2007-10-22 Known only as Erik Costanzi to the patrons of the Teatro dell'Opera and immersed in the world of music, the Phantom of the Opera believes his demons have been laid to rest. When a fire breaks out in the Teatro, Erik is thought to have died in the blaze. But he wakes-without memory and without an identity-in the arms of his former lover, Lucianna Fiortino. Given a chance to keep Erik to herself, Lucianna invents a fairy-tale past for him. She has him take the name of her dead husband, not realizing that she thus condemns him to live a fiction that spirals further and further out of control. Has Erik lost everything, including himself? Yet Meg cannot accept that her husband has died. She

knows that the stranger who watches in the wings and sends her roses must be Erik. But someone else watches over both Erik and Meg, waiting for another chance at revenge. Only the Phantom can save them. Music for Silent Film Kendra Preston Leonard, 2016-01-01 Between 1895 and 1929, more than 15,000 motion pictures were made in the United States. We call these works “silent films,” but they were accompanied by an enormous body of music, including works adapted or arranged from pre-existing works, as well as newly composed pieces for theater orchestras, organists, or pianists. While many films and pieces are lost, a considerable amount of material remains extant and available for use in research and performance. *Music for Silent Film: A Guide to North American Resources* is a unique resource on North American archives and English-language materials available in for those interested in this repertoire. Part I contains information about archives of primary source materials including full and compiled scores, sheet music, published anthologies of music, interviews with cinema musicians, periodicals, and instruction books. Part II surveys the English-language scholarship on silent film music in articles, book chapters, essay collections, and monographs through 2015. The book is fully indexed for ease of access to these important sources on film music.

Mirror Opposites J L Daniels, 2014-12-15 The stock market crash October 19, 1987 becomes a pivotal life-changing event for identical twins Tom and Glenn Lonardo. The fallout from this calamitous market collapse triggers actions and events that inexorably engulf the brothers, sucking them into a vortex called disaster. It is a tale of cool assassins, a unique Las Vegas casino with its enforcers, Wall Street players and pundits and beautiful women. It is replete with a host of unforgettably bizarre characters including a Jewish midget who is part Eskimo and a FBI agent who yodels, and a background true to life story of brothers brought up in contrasting cultures. It is a story of larceny, love and lust; greed and deceit; a fugitive on the

run and murder! While it is suspenseful and has its unspeakably tragic twists and turns, it is highly entertaining and always amusing. It will keep a readers eyes open! A work of FICTION, it borrowed from much that was true.
