Pretty Monster Sheridan Anne,2025-09-23 Every night a twisted game of cat and mouse has Kyah Bailey frozen in fear--and begging for more--in this sexy stalker romance from the author of *Haunted Love*. I'm not the kind of girl who likes to be tied down. Maybe tied up . . . Even though there are several men who would love to claim me, there's only one I need--and he'll probably be the death of me. Night after night, I feel him watching me. He grows bolder as he creeps through my window and welcomes himself into my bedroom, feeding his addiction and sending chills down my spine. As his skin brushes mine, I pretend to sleep, terrified of what he might do next. But when he really touches me, my whole body comes alive. While I know this is the stuff of nightmares, I can't help but feel electrified by how wrong it is. I should be calling the cops, but instead, each escalating encounter leaves me yearning for more. He's sick in the head, but maybe I'm just as unhinged. Because whether I like it or not . . . I'm addicted to my stalker. *Pretty Monster* is a dark stalker romance with a morally gray MMC and mature content featuring explicit scenes. This edition features a never-before-published bonus scene.

Pretty Monster Sheridan Anne,2023-10-29 I'm addicted to my stalker. He watches me at night, sneaking in through my living room window and making my blood turn to ice. I feel him all around me as chills snake down my spine. Each night he becomes bolder, getting closer and welcoming himself into my bedroom, feeding his addiction. When I feel the warmth of his skin brushing over mine, I pretend to sleep, terrified of what he plans to do with me. But when he touches me ... my whole body comes alive. I've never seen his face, and don't even know his name, but I want to. Every part of me knows this is wrong, but I can't bring myself to lock the window, to tell him no. He thrills me, but living life on the edge doesn't come without consequences. He's sick in the head, addicted to this infatuation, and obsessed with his messed-up mind games. But maybe I'm just as sick as he is because, whether I like it or not ... I'm addicted to my stalker.

Haunted Love Sheridan Anne,2026-01-20 A curious virgin secretly explores her wildest fantasies with her brother's forbidden best friend in this spicy romance from the author of *Pretty Monster*. Aspen Ryder is tired of playing it safe. She's ready to really start living, which is how she finds herself in a dark room of an exclusive sex club, offering up her V-card on a silver platter to a tall, muscled mystery man. Her captivating suitor shows Aspen everything she's been missing and more. His commanding words and skilled touch light up her body in ways she never could've imagined. Their encounter leaves

Aspen insatiable, desperate for more. That is, until she realizes the man who took her to the edge of desire is anything but a perfect stranger: he's her brother's best friend. Izaac Banks has always been off-limits, not that it's ever stopped Aspen from wanting him. He's the forbidden fruit, and now that she's had a taste, there's no going back. Even if that means betraying her brother's only rule. Craving the one thing she can't have--and willing to cross every line to get it--Aspen makes Izaac a delicious offer he simply can't refuse . . . This edition features a never-before-published bonus scene. *Haunted Love* is a dark forbidden-love romance with mature content featuring explicit scenes.
