Friendship with God Neale Donald Walsch, 2002-10-01 The first book in a new series by the multimillion-copy bestselling author of *Conversations with God*. Neale Donald Walsch has changed the way millions of Americans think about God. His *Conversations with God* series, book 1, book 2, and book 3, have all been New York Times bestsellers- book 1 for over two years. The essence of Neale Donald Walsch's message lies at the heart of faith- the sacred place in every person, where he stands alone with his God. Walsch urges each of us to forge our own unique relationship with God, a God who is everywhere and speaks to us in all we do. It is up to us to stop and listen. It is up to us to respond...to begin the conversation. And a conversation is the first step, just as in any relationship, in establishing trust, in building friendship, in creating

communion. In *Friendship with God*, Neale Donald Walsch shares the next part of his journey, and leads us to deepen and strengthen our own bonds with God. He honors our heart's desire: a closer connection, richer and fuller. A friendship with God.

What God Said Neale Donald Walsch,2013-10-01 God's number one message to the world: "You've got me all wrong." Inspired by his nine-book *Conversations with God* series, many people have asked Neale Donald Walsch to find a way to deliver the most essential pieces of God's message to us in a more succinct way. This concise text details and expands just what we need to know about life and how to live it. Bringing his many conversations over the years into sharper focus than ever before, Walsch in *What God Said* encourages readers to cast aside religious and cultural trappings. To experience life as fallible—and human—beings, open-minded, open-hearted, and all-embracing, and to build on, broaden, and enrich our Ancient Story. But to move forward on this ever-expanding and encompassing spiritual voyage means not only understanding what Walsch considers the most important insights of his *Conversations with God*, but also applying them in the most practical ways. And so Walsch has included solid suggestions on how to apply each of the 25 Core Messages in daily life. Should humanity begin carrying these messages forward, starting today, we can change the world.

Parabola ,1998

In Book 2, the dialogue expands to deal with the more global topics of geopolitical and metaphysical life on the planet, and the challenges now facing the world. This incredible series contains answers that will change you, your life, and the way you view other beings.
