**Marcia Wieder**

**Reach Your Dreams** Alice Chan, 2011-06-16 Do you have a picture of your dream, but feel uncertain or even afraid of what it'd take to make it real? Do you feel an inner nudge to do something, but have no clear idea of what it is, let alone what to do? Are you frustrated with seemingly just marking time in your life, but don't know what you really want or what changes to make? Are you tired of wondering why things seem to just happen to you and wishing you had more control over your own destiny? Are you simply looking for a concise roadmap to raise your consciousness in how you live? If your answer to any of these questions is yes, this book has your answers! After feeling lost for many years, even questioning the point of being alive, author Alice Chan can deeply relate to your discontent and pain. She transformed her life by shifting her perspective from victimhood to self-empowerment. Based on her own success, she has developed a roadmap to step you through how to do the same for yourself. By following these five steps, you too can create the life of your dreams: Release limiting beliefs and hidden barriers blocking your path to your dreams. Envision living the life you want and having your dreams fulfilled. Act on inner guidance to fulfill your dreams one smart step at a time. Celebrate the good in your life even the little things and attract more reasons to celebrate. Honor the current you and where you are in life, as you create from the here and now. Are you ready to empower yourself to REACH your dreams?

**Reaching Your Dreams** Tommy Barnett, 2005 Pastor Barnett explains how one's destiny and reason for living are wrapped up in dreams, visions, and passions. This book shows readers how to follow their God-given dreams--the key to finding their fulfillment.
