*Restore Me* Janil Seegars, 2021-12-28 Sloane Dominic Alexander is my late husband's best friend and the last man on Earth that I should want. He's arrogant, dismissive, and up until recently has only ever used those dark eyes of his to look right through me. For the last twelve years, he's taken a sick pleasure in making me feel paper thin, like my entire existence is of no consequence to him at all. But now, things are different. After one drunken night, and a surprisingly sexy act of heroism, he's started to be...nice. Treating me like something other than the physical embodiment of his annoyance, which would be nice if it didn't make me feel all the things I swore to never feel for another man after my husband died. Dominic Sloane Kent is going to be my undoing. What's worse: I think I'm going to enjoy being unravelled by the gold flecks in her hazel eyes and the adorable little way she scrunches her nose up when we're arguing, which we've done a lot of over the past decade. She thinks it's because I hate her, and I've always let her think that because the alternative is...untenable. But something is changing between us, and I don't know how to stop myself from breaking every promise I've ever made to myself regarding my best friend's wife. Promises that include never telling her that there's a long list of things I feel about her, but hate isn't one of them.

*Heartbeat* Terreece M. Clarke, 2022-06-28 Maya Anderson only knows success: set a goal, create a plan, achieve. Everything she can control she does, down to her color-coordinated closet. Then someone tried to kill her. Now, she has a new goal: stay alive. New town. New identity. No men. A decent, three-step plan to give her a fighting chance, until a run-in with a local detective with haunted green eyes leaves her vulnerable in more ways than one. Mike Sheppard left his hometown in the Colorado mountains a bruised, broken kid vowing never to return. Yet here he is 20 years later, paying dues for the dead. He's built a life protecting the vulnerable, and as the town's newest detective, he's determined to restore trust and honor to a department recovering from decades of corruption. Truth. Transparency. Dedication to the law. A decent, three-step plan to give him and the town a fighting chance, until a run-in with a suspected drunk driver with the devil on her heels leaves him wanting more. Neither are ready for this, but is anyone ever ready for the kind of love that stops your heart? Spicy scenes, laugh-out-loud moments, suspense, danger, and epic love makes this romantic suspense novel an excellent read for romance readers who couldn't put down Tiffany Patterson's Aaron's Patience (The Townsends of Williamsport) and Penny Reid's Winston Brothers series ... This contemporary romantic suspense novel marks the debut of bestselling author Terreece M. Clarke in the romance genre.

So when the best man, Rome, proposes they give into their undeniable chemistry, Janelle agrees, under one condition: their affair can only last a week. What happens in Tulum doesn't always stay in Tulum For Rome Martin, Janelle has always been off-limits. She's his best friend's ex, and Rome is nothing if not loyal. But he's never been able to get her off his mind, and now he might finally have a chance to win her over. As the wedding brings them together, every kiss, adventure, and stolen moment feels right. **Restoration** Jim Draper,2016-11-02 The theme of this book is about restoration. It tells my personal life story of restoration and how I developed a successful career restoring properties at the same time. It is a parallel experience. It all

started with my personal commitment to Christ. As he began to restore me from a life of desperation, I was restoring an old barn to make a house for me to live, out of necessity. I learned that the principles are the same. You have to remove all the unusable material in a structure in order to replace them with good materials so your building will be solid and will last. It is the same with your life: you have to remove all the old habits and thoughts that keep you from being a whole and successful person. It has been an incredible journey for the last thirty-six years to see the plans that God had for my life. That is what restoration is all about. When you surrender your will to him, he can then take you where he planned for you to go all along. He couldn't do it as long as you were in control. I did it my way for thirty-three years, and it ended in desperation. I have done it his way for thirty-six, and his ways are best. I have accomplished more than I ever dreamed of, and we are nowhere near finished. In the book, I share with you the twelve life-skill principles I learned from the scripture, and as I applied all of them, I experienced the results that they promised. I want to share these principles with you, and I know that they will help you as they did me, for God is no respecter of persons. The key is you have to apply them, not just know them. The old barn would have never been converted into a house if I had refused to do the work.
