REVELATION ITS GRAND CLIMAX AT HAND ,1988

Jehovah's Witnesses Edmond C. Gruss,2001

Blood on the Altar David A. Reed,2011-01-27 More kids are dying right now in obedience to the Jehovah's Witness ban on blood transfusions than perished in the fire at Waco, Texas, says former Witness elder David A. Reed. How can a major sect with headquarters in New York City and twelve million attending its religious services worldwide quietly lead victims to early deaths without public outcry? Reed cites dozens of well-documented casesmedia reports naming victims, doctors, and hospitals issuing their death certificatesas he blows the whistle on a deadly cult that secretly instructs members to kidnap children from hospital beds and teaches children to resist doctors violently and give false testimony in court. This former minister, now widely recognized as an authority on the sect, explains his own role in bringing new members under mind control. With captivating anecdotes he details an enforcement apparatus that reaches even into clinics and hospitals. He brings to light secret instructions for hospital employees to turn over confidential patient records to the church, and tells how the hierarchy conducts bedside trials of members who accept forbidden medical treatment. Reed joined the sect as a naive young adult and rose through the ranks until he learned how the secretive leadership operated. Realizing that his friends were dying for beliefs supposedly channeled from God, but actually fabricated by the church hierarchy. After leaving the sect, he spent years researching its history and activitiesevidence revealed here for the first time. Reed's warning cannot be ignored.

The ^AOxford Handbook of the Bible in America Paul Gutjahr,2017-11-01 This Handbook brings together a number of established scholars, as well as younger scholars on the rise, to provide a scholarly overview--rich with bibliographic resources--to those interested in the Bible's role in American cultural formation.

The End of the World Tom McIver,1999 This bibliography contains careful and bias-free annotations of close to 3,500 works written over many centuries about the end of the world, predominantly but not entirely from a Christian perspective. The books, pamphlets, websites, and selected other media cover a wide variety of eschatological beliefs--from the numerous fundamentalist scenarios to the mystical and the violent--and include such topics as the Tribulation, the Rapture, the

Millennium, Armageddon, the Second Coming, the Antichrist, and the Apocalypse. Works on other major religions (such as Judaism, Islam), the mythos of popular cultures (Mayan prophecies, Norse Ragnarok), UFO, occult and psychic theories (Heaven's Gate, Nostradamus), and secular theories (Y2k+ computer chaos) can be found. The work is in four parts (plus indexes). Entries in the pre-1800 part are arranged chronologically beginning with the Books of Enoch in the second century BC. Other entries are arranged alphabetically within the three chronological subdivisions of 1800-1910, 1910-1970, and post-1970. All include full bibliographic information and annotations regarding format, type of work, theme, the author's background, the category of theories espoused, distinctive or notable characteristics, the intended readership, and the significance of the work. There are cross-references to works by the same author. An introduction describes major types of beliefs, outlines basic Fundamentalist end-of-the-world scenarios, summarizes Biblical sources, and explains important terms, concepts and relationships among sources. The work is extensively indexed by author, title, and subject.
