Power Moves Sarah Jakes Roberts, 2024-04-30 Unleash the superpower of being yourself. Sarah Jakes Roberts, bestselling author of *Woman Evolve* and newly appointed pastor of The Potter's House Church in Dallas, will help you craft a language toward your challenges with intentionality and develop an authentic lifestyle. Stripping our minds of the expectations that inundate our world has never been more difficult. One quick scroll of our phones and we're consumed by other people's projections of how we should be feeling or responding. The ability to determine your truth without judgment is the beginning of harnessing authentic power in Christ. When we do the work of embracing where we are, we create space for God's love to meet us in our most raw form and then polish us to shine like never before. Power does not lie in success, achievement, or performance. Power rests in humility, honesty, and the commitment to continuous growth. *Power Moves* will help you to qualify whether you're living life authentically or if you've found a way to maintain status quo. It will reveal the principles required to tap into the most powerful version of who you are, then lead you in how to introduce your authentic self to the world around you. Sarah will help you give language to your changing needs, acknowledge and applaud your growth, refuse to bear the weight all at once or all alone, and release your power. Open your eyes to the way that God sees you and awaken your boldness to effect change in the world by living out the truth of who God says you are with confidence.

Invitation to Educational Ministry George Hillman, Sue Edwards, 2018-09-25 Because teaching is at the heart of Christian ministry, the editors of *Invitation to Educational Ministry* have assembled a team of seasoned experts to present a comprehensive plan of Christian education. This volume will help church staff, parachurch leaders, and small-group teachers become more effective, influential, and creative. After laying a biblical and practical foundation for Christian education, the contributors provide specific guidance on teaching a variety of individuals and groups, including children, adults, singles, seniors, and non-Christians. The final section shares valuable insights on leading small groups, teaching innovatively, and overseeing a healthy educational ministry, among other topics. Each chapter is designed to equip educators with the most relevant information, and includes many useful features: • Real-life case studies • Scriptural support • Explanations of key terms and concepts • Practical suggestions • Resources for additional study • Sidebars illustrating best principles and practices

Breaking the Spirit of Addiction Sam Jones, 2007-03 Jones provides an in-depth look at how Jesus Christ offers complete

and permanent deliverance from Satans traps, as opposed to the constant recycling process in which many addicts find themselves just going through the motions of secular recovery programs. (Practical Life)

The Music of Heaven John Thurber,Cari Haus,2001 What is the music of heaven really like? Read a Bible-based answer from John Thurber, a professional musician who has made a lifelong study of the topic. Churches everywhere are in a crisis mode over what to sing and play for the assembly of the saints in worship. Many have unanswered questions such as: Is God concerned about the music being played by Christians today? Is the music being played in my church of heavenly, or earthly origin? How should the church react to all the new flavors of music? Was Lucifer's pride problem--The one that started his rebellion in heaven-somehow tied to his music? And is it still hounding the saints today? What about the music that so many of our youth love so dearly. Are they being led or misled? Are we swept up in worshipping stars rather than looking to and praising the Star of heaven? John Thurber finds the answers to these questions, and more, in this important new book on the music of heaven. Pastor Thurber's first sermon, which he preached while a student in college, was on this wonderful topic. Since that day, he has spent many happy hours searching the inspired pages of the Scriptures and Spirit of Prophecy to learn even more of God's music. You'll find the results of his study in this book, including: The role music has played in the great controversy between Christ and Satan Detailed descriptions of what heaven's music is-and isn't-like, and 27 Practical Principles for choosing heavenly music No book Pastor Thurber wrote would be complete without stories, so he's put a few of those in, too. Read the touching story of the fat lady and the circus, and how God worked in her life through music, in Baby Francis and the Bullet Holes. Your heart will be warmed as you read how God send a shoe shine boy to Pastor Thurber in an airport one day. And your thinking will be stirred by the lesson behind When the Crowd Didn't Clap. Before his retirement, Pastor Thurber taught music in several different academies and colleges. The highlight of Pastor Thurber's music ministry was singing with the King's Heralds Quartet at the Voice of Prophecy, and traveling with H.M.S. Richards Sr. and his fellow musicians there. Pastor Thurber brings all of his experience, and the wisdom gained through his career as a professional musician, into this inspiring book.
