

The Tears Of Autumn

Brian Jackson

The Tears of Autumn Charles McCarry, 2022-09-01 A rogue agent crisscrosses the globe to investigate the assassination of JFK in this acclaimed spy novel by the acclaimed author of *The Miernik Dossier*. When President Kennedy is shot in Dallas, the nation is shocked and mystified. But American spy Paul Christopher has a different perspective. He believes he knows who arranged the assassination and why. But if his theory is correct, it would destroy the dead president's image and endanger vital foreign policy. Christopher is therefore ordered to end his investigation. Determined to uncover the truth, Christopher resigns from the Agency and embarks on a quest that takes him from Paris to Rome, Zurich, the Congo, and Saigon. Threatened by Kennedy's assassins and by his own government, Christopher follows the scent of his suspicion into the dark heart of a geopolitical conspiracy. *The Tears of Autumn* is an incisive study of power and a brilliant commentary on the force of illusion, the grip of superstition, and the overwhelming strength of blood and family in the affairs of a nation.

IN THE SHADE OF A YEAR'S PAST Marin Chibo, 2023-08-28 A short summary of *In the Shade of a Year's Past*. In the dedication of the book, a young lady named Sandra is mentioned. Her dad's name was Al. He and my father were good friends from WWII days. They grew up together in Hoboken, New Jersey. That's where I grew up. Well, when the war was over, Al and my dad, Nick, came back to Hoboken and restarted their lives. Al married Ester, and my dad married Jennie. Sandy was Al and Ester's first daughter, and I, Marin, was Nick and Jennie's first son, so Sandy and I grew up together. We were like brother and sister. I was a Marley little fat kid, and she was a gorgeous little blonde. Kids in the neighborhood would pick on me, and Sandy would kick their butts. She would say, You better leave my little brother alone or I'll kick your ass. Got that, moron! So this whole book is dedicated to Sandy. And in every poem, you can see a bit of Sandy and Marin in between the lines. The loss of Sandy in my life kept me gowning to where I am today--married for forty-eight years with three beautiful children. Not one regret, mind you! Not one! Well, maybe just one. Read the last sentence in my dedication.

The Triumph of the Thriller Patrick Anderson, 2007-02-06 There's been a revolution in American popular fiction. The writers who dominated the bestseller lists a generation ago with blockbuster novels about movie stars and exotic foreign lands have been replaced by a new generation writing a new kind of bestseller, one that hooks readers with crime, suspense, and ever-increasing violence. Patrick Anderson, *The Washington Post's* man on the thriller beat, calls this revolution "the triumph of the thriller," and lists among its stars Thomas Harris, Michael Connelly, George Pelecanos, Dennis Lehane, Sue

Grafton, and Elmore Leonard. In his provocative, caustic, and often hilarious survey of today's popular fiction, Anderson shows us who the best thriller writers are—and the worst. He shows how Michael Connelly was inspired by Raymond Chandler, how George Pelecanos toiled in obscurity while he mastered his craft, how Sue Grafton created the first great woman private eye, and how Thomas Harris transformed an insane cannibal into the charming man of the world who made FBI agent Clarice Starling his lover. Anderson shows Scott Turow inventing the modern legal thriller and John Grisham translating it into a stunning series of bestsellers. He casts a cold eye on Tom Clancy's militaristic techno-thrillers, and praises Alan Furst and Robert Littell as world-class spy novelists. He examines the pioneering role of Lawrence Sanders, the offbeat appeal of Dean Koontz, the unprecedented success of *The Da Vinci Code*, and the emergence of the literary thriller. Most of all, Anderson demands that the best of these novelists be given their due—not as genre writers, but as some of the most talented men and women at work in American fiction. Don't trust the literary elites to tell you what to read, he warns—make up your own minds. *The Triumph of the Thriller* will convince many readers that we've entered an important new era in popular fiction. This book can be your guide to it.

Reading Espionage Fiction Martin Griffin, 2024-05-31 *Reading Espionage Fiction: Narrative, Conflict and Commitment* from World War I to the Contemporary Era probes the ways in which the struggles and loyalties of political modernity have been portrayed in the espionage story over the course of the twentieth and twenty-first centuries. Reading works by authors such as Somerset Maugham, Helen MacInnes, John le Carre, Sam E. Greenlee and Gerald Seymour as popular literature deserving of sustained attention, this book shows how these narratives have both created a modern genre and, at the same time, sought an escape from its limitations. Martin Griffin takes up the importance of plot and character and argues that, in this branch of fiction, the personal has always and ever been political.

The Tears of Autumn Brian Jackson, 2018-02-25 'The Tears of Autumn' is a bittersweet love story that begins in the war and ends leaving the child David struggling to cope with the failures of the adult world around him. When Bill is called up by the RAF Daisy is left with the infant David. Living in squalor with their unwanted child Daisy seeks consolation with other men until the dreadful night when Bill returns unexpectedly and finds her with another man and David filthy and neglected. In an emotional parting David is torn from his mother and sent away to stay with an aunt. They are idyllic days but with the end of the war Bill returns to reclaim his son. Now their search begins; a search for love, happiness and security and when Bill meets Dorothy it seems their odyssey is over. But their love for Dorothy brings other conflicts in the wake of a tragedy neither of them could have foreseen as she descends into insanity. David attempts to escape to find the security and love he seeks with his aunt but he fails. Powerful images continue to haunt him until he is forced to confront the final tragedy in this powerful family saga. Based on true events 'The Tears of Autumn' is the story of a child growing up in a world where the adults around him are struggling to cope with their lives, unaware of the trauma they blindly inflict on the child in their

midst.

The Book of Spies Anthony Burgess, John Steinbeck, John le Carré, Rebecca West, 2003-05-13 An anthology of the world's best literary espionage, selected by a contemporary master of the genre, Alan Furst. Here is an extraordinary collection of work from some of the finest novelists of the twentieth century. Inspired by the politics of tyranny or war, each of these writers chose the base elements of spy fiction—highly evolved spy fiction—as the framework for a literary novel. Thus Alan Furst offers a diverse array of selections that combine raw excitement and intellectual sophistication in an expertly guided tour of the dark world of clandestine conflict. These are not just stories of professional intelligence officers. We meet diplomats, political police, agents provocateurs, secret operatives, resistance fighters, and assassins—players in the Great Game, or victims of the Cold War. *The Book of Spies* brings us the aristocratic intrigues of *The Scarlet Pimpernel*, in which French émigrés duel with Robespierre's secret service; the savage political realities of the 1930s in Eric Ambler's classic *A Coffin for Dimitrios*; the ordinary citizens (well, almost) of John le Carré's *The Russia House*, who are drawn into Cold War spy games; and the 1950s Vietnam of Graham Greene's *The Quiet American*, with its portrait of American idealism and duplicity. Drawing on acknowledged classics and rediscovered treasures, Alan Furst's *The Book of Spies* delivers literate entertainment and excitement on every page.
