

The Book Of The People

Edgar Wallace

The People of the Book and the People of the Dubious Book (Penerbit USM) Muhammad Azizan Sabjan, 2008 The question of the People of the Book (Ahl al-Kitāb) has long been of central significance to Islam and later to the study of comparative religion. It becomes more crucial when Abū al-Fath Muhammad ‘Abd al-Karīm al-Shahrastānī (d.548/1153) develops another category known as “Man Lahu Shubhat Kitāb” (those who possess doubtful sacred scrolls) or “Ahl Shubhat Kitāb” (the People of a Dubious Book). The present book thus is of importance as it highlights the nature of the People of the Book and the People of a Dubious Book as understood in the Qur’ān and Islamic religious tradition. The discussion is carried out both by analyzing Islam as the only genuinely revealed religion as well as by addressing various Muslim scholars’ attitudes and responses to the reality and nature of the People of the Book and the People of a Dubious Book apropos the Qur’ān and the Islamic religious tradition. Evaluation of the nature of the People of a Dubious Book as exclusively developed by al-Shahrastānī is also discussed. It points out how he identifies these groups and how he treats them accordingly in his magnum opus, *al-Milal wa al-Nihal*. It is hoped that this book will provide a preliminary yet clear understanding of this concept, which hopefully can deepen our knowledge and enhance our perspective on the various delineations of the People of the Book and the People of a Dubious Book employed by Muslim scholars. This will eventually widen our sphere of the understanding of religious issues and any misunderstanding or narrowed perception of other religious traditions could be avoided.

Book People Paige Nick, 2025-04-01 A comedy about a group of book lovers who literally lose the plot. Norma Jacobs is

your average accountant, running a book club on Facebook and living quietly with her gamer boyfriend in London. Except for the part where she's being threatened by a deranged author and questioned by the police about attempted murder. All just as she's started a new job as the only forty-two-year-old intern in the history of publishing. Harry Shields is a crime writer desperate to hit the big time when a negative review of his latest book on Norma's page results in him having a spectacular public meltdown. He gets cancelled, his events get cancelled, and before you can say 'author behaving badly', he's plotting revenge and stalking his nemesis. By the time Harry's gone viral, and Norma's given up trying to stop him, the online book club has over a hundred thousand rowdy members, and the comments section is a (literal) riot. Entertaining until one member ends up in a coma. A savagely funny satire about online media and cancel culture, for everyone who thinks books are harmless.

Living Faithfully as a Prayer Book People John H. Westerhoff, 2005-01-01 Episcopalians consider themselves to be people whose individual and corporate lives are shaped by the Book of Common Prayer, but aside from worship on Sunday morning, few know what fills its nearly 1,000 pages. John Westerhoff, Episcopal priest and Christian educator, walks readers through the ways in which the contents of the Prayer Book can (and should) shape the lives of those who call themselves Episcopalians. An excellent resource for parish study or reading in advance of seminary training, Westerhoff explores a brief history of the Prayer Book, and the ways in which it shapes us as pilgrims and prayerful people. How Episcopalians live into their baptism, live a Eucharistic and reconciling life, as well as a life of wholeness and health, are explored in detail. All of this, as Westerhoff writes, helps us lead a holy life, and one day, to a holy death.

The People of the River Edgar Wallace, 1912 Commissioner Sanders should have known better than to go on vacation. He is just a few days from his offices in British West Africa when he receives word from his second in command that trouble, always at a simmer in this jungle outpost, is about to come to a boil. He rushes home, arriving just in time for a meeting of the chiefs of his territory, who have been misled by an ambitious agitator named Bosambo into thinking that Sanders is dead. Sanders's return staves off rebellion, but Bosambo's power grab is not over yet. To keep the province from erupting into all-out tribal warfare, Sanders must outsmart the most brilliant chieftain in Africa. In these rip-roaring adventures, the heroic

commissioner contends with malaria, ju-ju, and the whims of government officials safely ensconced in their London offices.--
