Black Ohio Skies Sarah Wolf, 2012-07-12 *Black Ohio Skies* is a collection of fourteen short stories inspired by Counting Crows song lyrics.

Pe·Num·Bra Kayla Joli, 2019-03-15 Kayla Joli is a fresh voice in poetry whose soul is comprised of words. In her first collection of poems, Kayla shares the most vulnerable part of her soul that encourages others to overcome their fears of blossoming in life and to believe in possibilities, magic, and freedom. Within raw poems rooted in the vast experiences of motherhood, femininity, and relationships, Kayla offers insight into the different feminine roles of a woman's life. While exploring the nature of love and hate, reliance and freedom, heartbreak and healing, her poetry examines the interconnectedness and dualities of the heart, mind, and soul. As she journeys through the ties that break and relationships that heal, she connects to the vulnerability and strength that resides within all of us. Through lyrical verse that delves into strong emotions, Kayla invites others to consider their own deepest feelings and fears while searching for the truth. *pe·num·bra* is a collection of raw poetry that combines strong feminist views with the tenderness of the soul that speaks to the vulnerability and vastness of human emotion.

Back to the Miracle Factory Paul Williams, 2002-02-23 A noted rock critic and historian takes a retrospective look back at popular music during the 1990s, in a series of essays that offer commentary on the musical developments and performers of the era.

The Self-destruction of the West Damien François, 2007 Voilà désormais plus de 10 000 ans que la civilisation occidentale s'est installée et voilà 10 000 ans qu'elle viole le sens même de la nature : la vie. En s'appropriant sans concession ce qui l'entourait, l'homme de l'Ouest a vu son horizon ployer sous la charge de la destruction qu'il lui avait lui-même réalisée. Sommes-nous des lycanthropes ou des vampires? Ces monstres si terrifiants qui sortent de notre imagination sont-ils en réalité la copie de notre comportement dévastateur? Prédateurs, nous pompons sans remords les énergies qui nous entourent. Jusqu'où ira-t-on?.

Cosmic Connections: Dr. Cheri St. Arnauld, 2014-02-03 *Cosmic Connections* is a unique view of spirituality and the links between ancient knowledge and science, the soul and nature, and living within the universal flow of energy. This unique web of connections is designed to take you on a reflective journey of self-discovery cocreating your best divine life. You will

embark on a trek through time reviewing the lost teachings of Atlantis and the law of One, string theory, cocreation, sacred geometry, environmental disruptors that affect energy fields, meditation, the pineal gland and energy healing to weave a web of spiritual understanding that builds a deeper reflection of your connected existence to Source, to each other, and to mother earth. This path asks you to consider not only your own individual walk but to reach out to help humanity as a whole as a way to bring purpose and meaning to your life and flows from a realization that all are completely interconnected into one universal Source. Every move you make or thought you have and emotion you express will bring the same back to you. Your journey is but an introduction to a path of understanding, to cocreate your own best world and consider a simple way of life that can change your thoughts, intentions and develop a shared vision to attain this world for all humanity and ultimately for yourselves.

Chasing Adonis Tim Bergling, 2013-04-03 What is it about some men that makes them an object of our deepest desires? And how far are we willing to go in pursuit of those desires? *Chasing Adonis: Gay Men & the Pursuit of Perfection* delves into one of the most central mysteries of gay life: What is it gay men find attractive in other men, and why? How much is nature, how much is nurture . . . or maybe just clever marketing? This unique book examines steroid use, body image disorders, gym culture, Internet hook-ups, obsession, stalking, porn, erotic Web sites, strip clubs and everything else that makes gay men act a little bit nutty when they meet someone who drives them crazy! Frank, sexy, and controversial, it uses a light touch to examine a serious subject: how gay society objectifies the male body. Tim Bergling, author of *Sissyphobia: Gay Men and Effeminate Behavior* and *Reeling in the Years: Gay Men's Perspectives on Age and Ageism*, surveys gay men about their individual concepts of beauty and desire and about the almost unattainable Adonis standard many of them set for themselves. Teenagers, senior citizens, and the guys stuck in the middle discuss the idea of perfection, how much it changes or evolves over time, and whether the exterior package outweighs what's inside. From the author: It never ceases to amaze me just how powerful the 'd-word' (desire) can be, how it can take control of our lives and shut everything out, sometimes for just a few moments, sometimes for days or weeks at a time, depending on how badly we're smitten. Ask just about anybody, and they can likely pull up a story from their past when they've done something incredibly stupid or ill-advised, or maybe just something completely out of character, in pursuit of their heart's desire. *Chasing Adonis* examines: obsession and rejection self-esteem issues the allure of youth preferences in body shapes, types, and sizes designer genes vs. first impressions assessing body parts narcissism or comfort level-why men chase after guys who look like them AIDS and HIV gay porn adult book stores and the Internet the Calvin Klein ad campaign featuring Marky Mark Wahlberg the Abercrombie & Fitch ads Tom of Finland gay icons weight training and fitness clubs steroids and plastic surgery circuit parties body dysmorphia and much more! *Chasing Adonis: Gay Men and the Pursuit of Perfection* is an entertaining and enlightening read for gay men of all ages.

Drawing Hearts J.M. Jeffries, 2016-01-01 A bet worth the risk... Taking over the boutiques at her grandmother's Reno casino is a lucky break for fashion buyer Kenzie Russell. But while she relishes the challenges at Casa de Mariposa, Kenzie longs to launch her own designer line. There's also another distraction—Reed Watson, the supersmart, übersexy tech guru who's generously offered to fix the casino's software glitches. Ever since he made his first fortune before the age of twenty-one, Reed has been surrounded by people more interested in his millions than in him. Not Kenzie. Her ambition and zest for life are exhilarating, and she wants success on her own terms. They're opposites in so many ways, except when it comes to a powerful, mutual attraction. But with a secret adversary trying to bring chaos to the casino, everything is at stake—Kenzie's job, her family's future and their sizzling, once-in-a-lifetime connection...
