Journal of Biblical and Theological Studies, Issue 6.2 Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2022-03-11 The *Journal of Biblical and Theological Studies* (JBTS) is an academic journal focused on the fields of Bible and Theology from

an inter-denominational point of view. The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world. JBTS is concerned with presenting high-level original scholarship in an approachable way. Academic journals are often written by scholars for other scholars. They are technical in nature, assuming a robust knowledge of the field. There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students. JBTS seeks to provide high-level scholarship and research to both scholars and students, which results in original scholarship that is readable and accessible. As an inter-denominational journal JBTS is broadly evangelical. We accept contributions in all theological disciplines from any evangelical perspective. In particular, we encourage articles and book reviews within the fields of Old Testament, New Testament, Biblical Theology, Church History, Systematic Theology, Practical Theology, Philosophical Theology, Philosophy, and Ethics.
