The 4-Hour Work Week: By Timothy Ferriss | Summary & Analysis Elite Summaries, 4-Hour Work Week, by Timothy Ferris | Summary & Analysis. A smarter you in 15 minutes. What is your time worth? In these times, the economy is unpredictable; people need to do away with retirement concepts that don't work for their life plan, if there is no proper management of income. It doesn't matter whether one is earning huge salaries, or living a humble life. This audiobook has been designed to teach steps to be taken in a luxurious lifestyle. The author has further elaborated this by giving Tim as an example. Initially, Tim used to earn \$40,000 annually, but later on he started earning the same amount on a monthly basis. Further, the audiobook teaches you how to outsource your life abroad, by embracing virtual aid which will cost you only five dollars per hour. Moreover, it touches on how people can travel without necessarily resigning from their jobs, ways of eliminating almost half the amount of work you do in two days, by use of principles of a forgotten Italian economist, ways of trading in a career that requires a long haul for work, that are short with busting and frequent mini-retirements.
