The Primal of Blood and Bone Jennifer L. Armentrout, 2025-09-23 In the shadows and flames, Primals will fall... And from the blood and ash, new gods will rise. What was dreamt. Poppy was never meant to awaken, and the consequences are devastating and far-reaching, stirring ancient powers from their slumber and transforming Casteel and Kieran in ways even the Fates couldn't have foreseen. But what that means is the least of their concerns. For now. What was foreseen. The Blood Crown has fallen, but what has risen is a far greater danger than they've ever faced. From flesh and fire, the Great Conspirator has returned to the mortal realm, and he wants only one thing. They must stop the true Primal of Death before he regains his strength, and it won't be easy. Even weakened, his influence is undeniable. His power, unthinkable. Has come to be. While the future of the realms rests upon them, they won't stand alone. The gods have awakened—each harboring their own blood-soaked secrets. But they must navigate an unbalanced realm, where every choice—past and present—has the potential to not only undo everything they've fought for but also destroy the very bonds that have joined them together. For the Harbinger and the Bringer of Death and Destruction has risen.

Born of Blood and Ash: A Flesh and Fire Novel Jennifer L. Armentrout, 2024-08-13 From #1 New York Times bestselling author Jennifer L. Armentrout comes the thrilling conclusion to her beloved Flesh and Fire series... The line between love and obsession has never been wider. While Sera is finally free of Kolis and back with those she loves, not everything is calm. Memories of all she's endured still haunt her, but Sera finally has hope for a future with the other half of her heart and soul. Nyktos desires, loves, and accepts every part of her—even the monstrous bits she still battles. More than ever, Sera and Ash have everything under the realms to fight for, and Nyktos has no doubt Sera is fit to be the Queen of the Gods. But she must find that faith within herself if they hope to convince the other Courts to support them against Kolis and make Iliseum and the mortal realm better, safer places for all. But as Sera begins to piece together the importance of her bloodline and the true meaning behind the foreboding prophecy, it becomes clear that everything that has happened and is yet to come is much bigger than Kolis and his dark obsessions. They cannot help but wonder exactly how much influence the Fates have had and what their ultimate goal is. What Sera does know for sure is that they can trust very few—including her. A battle between the gods is brewing, and heartbreaking losses are imminent with the true Primal of Death strengthening. With a family of the heart willing to battle by their side, can Sera and Nyktos stop Kolis before he destroys the realms, or will it all disappear in a fiery inferno of blood and ash? And the line between justice and vengeance has never been so thin.

Requiem's Hope Daniel Arenson,2014 From fire and blood, the kingdom of Requiem rises. It is a home for the lost, the exiled, the hunted--those they call weredragons. In their new kingdom, they gather--men and women who can grow wings, breathe fire, and take flight as dragons. But there is one who would see this fledgling kingdom crushed. The tyrant Raem has opened the gates of the Abyss, summoning a demon army. His unholy host musters around him and flies across the sea . . . toward Requiem. The demons swarm, mad with hunger. Their rot wilts forests and boils rivers. Their shrieks echo like storms. Their purpose is one: to slay dragons. Requiem was birthed in blood and flame. Now her war for survival begins.
