

Academiaedu Dar De Baja

Christian Drosten

Advances on P2P, Parallel, Grid, Cloud and Internet Computing Leonard Barolli, Makoto Takizawa, Tomoki Yoshihisa, Flora Amato, Makoto Ikeda, 2020-10-08 This book aims to provide the latest research findings, innovative research results, methods and development techniques from both theoretical and practical perspectives related to P2P, Grid, Cloud and Internet computing as well as to reveal synergies among such large-scale computing paradigms. P2P, Grid, Cloud and Internet computing technologies have been very fast established as breakthrough paradigms for solving complex problems by enabling aggregation and sharing of an increasing variety of distributed computational resources at large scale. Grid Computing originated as a paradigm for high-performance computing, as an alternative to expensive supercomputers through different forms of large-scale distributed computing. P2P Computing emerged as a new paradigm after client-server and web-based computing and has shown useful to the development of social networking, B2B (Business to Business), B2C (Business to Consumer), B2G (Business to Government), B2E (Business to Employee), and so on. Cloud Computing has been defined as a “computing paradigm where the boundaries of computing are determined by economic rationale rather than technical limits”. Cloud computing has fast become the computing paradigm with applicability and adoption in all application domains and providing utility computing at large scale. Finally, Internet Computing is the basis of any large-scale distributed computing paradigms; it has very fast developed into a vast area of flourishing field with enormous impact on today’s information societies serving thus as a universal platform comprising a large variety of computing forms such as Grid, P2P, Cloud and Mobile computing.

Imago civitatis Diversos autores, 2018-12-02 Las instituciones públicas de asistencia han tenido y continúan teniendo, desde la Edad Media, un rol fundamental y activo en la configuración del espacio urbano, social, cultural, económico y político, puesto que son piezas clave para la reproducción de la propia idea de «comunidad» o de «ciudad». Por este motivo, su estudio histórico se ha convertido en un observatorio privilegiado, por la propia naturaleza de estos establecimientos, para capturar realidades imposibles de entrever desde otros escenarios de la ciudad. Este libro nace a partir de la celebración del V Simposio Internacional «Els Abrils de l'Hospital», cuyo leitmotiv fue «Historia y Etnografía Hospitalarias». El encuentro, que tuvo lugar en la Universitat Rovira i Virgili de Tarragona y en el Institut Pere Mata de Reus en 2016, tuvo por objeto poner en relación a estudiosos e investigadores de diferentes ámbitos y adscripciones para ayudar a visibilizar las

potencialidades del estudio histórico de los hospitales haciendo porosos los límites entre la historia, las ciencias sociales y los estudios culturales.

Realizadoras chilenas. Cine bajo desigualdad de género Machuca Ahumada, Antonio, 2023-01-18 La marginación de las mujeres en el mundo artístico chileno, ha persistido desde siempre. Uno más de ellos es el cinematográfico. No basta con hablar de ello para que la falta de saber acerca de las realizadoras chilenas se supere. Las publicaciones sobre su trabajo, innovaciones y temáticas han sido escasas. El autor entrega una investigación inédita acerca de las transgresoras que rompieron cánones. La lectura abarca el contexto sociocultural en el cual las cineastas enfrentaron el panorama hegemónico y patriarcal. Además, por medio de ejes diversos de estudio se profundiza en la labor desarrollada por quince directoras, desde las precursoras del cine silente hasta las vanguardistas de fines de los 90. Esta es una obra sobre la cinematografía femenina, que permite avanzar en la construcción del conocimiento en torno a las mujeres detrás de las cámaras. Aquí se busca el rescatarlas, revelarlas y vindicarlas.

Manual de medicina legal y forense para estudiantes de Medicina José Antonio Menéndez de Lucas, 2025-05-15 - Texto útil y didáctico que aporta al estudiante de medicina las claves necesarias para su ejercicio profesional de la Medicina legal y forense. - Muchas recientes reformas legislativas afectan directamente a la medicina legal y forense, por lo que muchos capítulos han sido actualizados. - Cuenta con autoevaluaciones en todos los capítulos y casos prácticos, que también incluyen preguntas, para ayudar en el estudio y el repaso del contenido. - Se ha introducido un capítulo nuevo sobre cuestiones médico-legales en psiquiatría.

Modernizing Marriage Kenneth M. Cuno, 2015-04-01 In 1910, when Khedive Abbas II married a second wife surreptitiously, the contrast with his openly polygamous grandfather, Ismail, whose multiple wives and concubines signified his grandeur and masculinity, could not have been greater. That contrast reflected the spread of new ideals of family life that accompanied the development of Egypt's modern marriage system. *Modernizing Marriage* explores the evolution of marriage and marital relations, shedding new light on the social and cultural history of Egypt. Family is central to modern Egyptian history and in the ruling court did the "political work." Indeed, the modern state began as a household government in which members of the ruler's household served in the military and civil service. Cuno discusses political and sociodemographic changes that affected marriage and family life and the production of a family ideology by modernist intellectuals, who identified the family as a site crucial to social improvement, and for whom the reform and codification of Muslim family law was a principal aim. Throughout *Modernizing Marriage*, Cuno examines Egyptian family history in a comparative and transnational context, addressing issues of colonial modernity and colonial knowledge, Islamic law and legal reform, social history, and the history of women and gender.

Military Review, 2018

Género en la educación Beatriz Revelles Benavente, Ana María González Ramos, 2019-07-29 La idea de editar nuevamente el libro *Género en la educación: Pedagogía y responsabilidad Feministas en Tiempos de Crisis Política* nació en el seno de Atgender, una asociación de género europea que desde 2015 fortalece las conexiones entre académicas, activistas, profesoras y trabajadoras públicas interesadas en la investigación, la documentación y la pedagogía de los estudios de género a nivel europeo. Este libro nació de la necesidad de mostrar estrategias políticas concretas para contrarrestar la complejidad de los actuales problemas socio-económicos y culturales desde una perspectiva pedagógica feminista. Fruto de esta vocación pedagógica, cada capítulo contiene además de la experiencia concreta, un listado de tareas para poner en práctica las herramientas presentadas en ese caso concreto. Así, la intervención feminista aparece como un requisito indispensable para restaurar el bienestar de la ciudadanía, para situar el debate político en los valores humanistas de protección de los grupos situados en una posición de vulnerabilidad y repensar las dimensiones de crisis educativa, ecológica y social presentes en nuestra sociedad. Las autoras muestran propuestas de respuesta feministas, propuestas de intervención en el aula y en espacios abiertos a la participación ciudadanía, en las escuelas, en los institutos y en los barrios. Con esta estrategia buscan extender la alianza de sororidad desde Europa hasta América Latina, entre otros países, para diseminar las estrategias globales afincadas en lo local. La traducción de este monográfico tiene una doble intención. En primer lugar, contribuir al feminismo contemporáneo de los nuevos materialismos diseminando esta corriente entre las personas interesadas y expertas del ámbito hispanohablante y, en segundo lugar, ofrecer herramientas prácticas en el ámbito de la pedagogía, en un sentido amplio, es decir, tanto para el profesorado como para otros y otras especialistas o profesionales relacionadas con la pedagogía y la educación. En definitiva contiene una hoja de ruta feminista-pedagógica para las escuelas, universidades y otros contextos educativos. Que en este tiempo de crisis, el feminismo nos acompañe.

Academiaedu Dar De Baja Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has been evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Academiaedu Dar De Baja**, a literary masterpiece that delves deep into the significance of words and their impact on our lives.
