

Biblical Meaning Of Light

James Hastings, John Alexander Selbie, Andrew Bruce Davidson, Samuel Rolles Driver, Henry Barclay Swete

Expository Dictionary of Bible Words Stephen D. Renn, 2005 A contemporary replacement for the classic Vine's Expository Dictionary, this newly written reference book covers the key vocabulary of the Bible with an integrated coverage of the Old Testament and New Testament words. Students of the Bible will be able to uncover the meaning of the original biblical text whether or not they have a working knowledge of Hebrew or Greek. Each English word entry includes the Hebrew or Greek for that word and explains its nuances and variations in meaning. It is coded to Strong's numbering and is a valuable resource for students, pastors, or the layperson interested in word studies.

Seasons of the Christian Life Robert Cummings Neville, 2016-07-04 Once liberal Christianity was preached in ways that defined it in the public eye. Now Christianity is identified almost exclusively with its conservative expressions. *Seasons of the Christian Life* presents a series of sermons articulating a liberal Christianity over against its conservative neighbors. They were preached at the University Church (Marsh Chapel) at Boston University (save for one preached in Memorial Church at Harvard) during the 2004-2005 academic year when President George W. Bush was reelected and the country was at war in Iraq and Afghanistan, and at war with terrorists wherever they could be imagined. The sermons follow the Revised Common Lectionary and focus on biblical interpretation as it is applied to the then-current spiritual, cultural, social, and political situation. The author is a professor of theology and at the time was Dean of Marsh Chapel and Chaplain of the University.
