The Comedian as Confidence Man Will Kaufman, 1997 In this lively and fascinating analysis of humorists and their work, Will Kaufman breaks new ground with his irony fatigue theory. *The Comedian as Confidence Man* examines the humorist's internal conflict between the social critic who demands to be taken seriously and the comedian who never can be: the irony fatigue condition. Concentrating on eight American literary and performing comedians from the 18th, 19th, and 20th centuries, this study explores the irony fatigue affect that seems to pervade the work of comedians—those particular social observers who are obliged to promise, Only kidding, folks, even when they may not be; in G. B. Shaw's words, they must put things in such a way as to make people who would otherwise hang them believe they are joking. If these social observers are obliged to become, in effect, confidence men, with irony as the satiric weapon that both attacks and diverts, then the implications are great for those social critics who above all wish to be heeded.

Make 'em Laugh! Zeke Jarvis, 2015-04-07 This lighthearted and eye-opening book explores the role of comedy in cultural and political critiques of American society from the past century. This unprecedented look at the history of satire in America showcases the means by which our society is informed by humor—from the way we examine the news, to how we communicate with each other, to what we seek out for entertainment. From biographical information to critical reception of material and personalities, the book features humorists from both literary and popular culture settings spanning the past 100 years. Through its 180 entries, this comprehensive volume covers a range of artists—individuals such as Joan Rivers, Hunter S. Thompson, and Chris Rock—and topics, including vaudeville, cartoons, and live performances. The content is organized by media and genre to showcase connections between writers and performers. Chapters include an alphabetical listing of humorists grouped by television and film stars, stand-up and performance comics, literary humorists, and humorists in popular print.

Comedy and Error Simon Day, 2011-06-23 Best known as one of the stars of the *Fast Show* (where he played characters

such as Dave Angel -- Eco-Warrior, Tommy Cockles and Competitive Dad) and Bellamy's Peopleco-starring Paul Whitehouse, Simon Day tells the shocking, sometimes sad and hilariously funny story of his life so far. Simon Day's memoir is a story of unlikely successes and secret lives. In the early 1980s he was a petty thief living rough in South East London and stealing whatever he could to fund an addiction to fruit machines. He was arrested and sentenced to borstal. Simon's memoir tells the story of how this nice, middle-class boy from the suburbs -- a self-confessed 'crap criminal' -- served time with the professionals and hard-cases in a jail fiercely divided along racial lines during the height of the 1981 riots. It moves on to the lucky breaks, the talent getting recognised, the 'redemption' of his years as a celebrity . . . with the parallel story of his addiction which -- with money and success -- became fuelled by drugs. Dark and dramatic, Simon Day's memoir is a laugh-out-loud-funny story of drugs, crime and comedy.

Midnight Mavericks Gene Gregorits, 2007 Features the most eclectic assortment of artists ever gathered between two covers. From angry stand-up comedians and cutting-edge exploitation filmmakers to hardcore crime novelists and controversial cartoonists, this book casts a bright light on underground culture. Featuring 50 artists whose work is significant in its purity and uncompromising attitude, this is a vital study of contemporary Western culture. The bonus CD included makes this package irresistible and features tracks from many well-known, influential bands.

Made You Laugh! Joe Garner, 2004-10-01 What better way to recognize and honor America's funniest moments and greatest laugh artists than an insightful, anecdote-laden multimedia presentation that allows readers and viewers to fully experience the sharpest comedians throughout broadcast and film history. That's exactly what *Made You Laugh!* offers, as author Joe Garner applies his magic touch to one of America's most treasured forms of entertainment. Joe's insightful text, original videotaped interviews, and choicest clips from radio, comedy variety shows, sitcoms, stand-up routines, and classic films instantly remind readers of some of the most fun-filled times of their lives. It shows why they love to laugh and why a great joke is a thing of lasting beauty, at least until the next side-splitter comes along. The book is divided into three main sections: The Funniest Moments from Radio and Television, The Funniest Stand-up Moments, and The Funniest Movie Moments. Chapters throughout give readers a hearty chuckle while providing rare behind-the-scenes glimpses into favorite entertainers and their work, complete with firsthand memories from the comedians, writers, and producers who were there. The accompanying DVD, hosted by a major comedy talent, includes the actual audio/film clips of the particular memorable moment along with original videotaped and archival interviews. It all adds up to one seriously successful look at the world of laughs!

Content Provider Stewart Lee, 2016-08-02 Over the last few years, often when David Mitchell has been on holiday, the comedian Stewart Lee has been attempting to understand modern Britain in a weekly newspaper column. Why are there so few right-wing stand-ups? Who was Grant Shapps? What does your Spotify playlist data say about you? Are Jeremy Corbyn

and Stewart Lee really the new Christs? And so on. Introduced, annotated and, where necessary, explained by the author, Content Provider is funny, grumpy and provocative.
