J. J. Abrams Brent Dunham,2018-11-13 Jeffrey Jacob “J. J.” Abrams (b. 1966) decided to be a filmmaker at the age of eight after his grandfather took him on the back-lot tour of Universal Studios. Throughout his career, Abrams has dedicated his life to storytelling and worked tirelessly to become one of the best-known and most successful creators in Hollywood. The thirty interviews collected in this volume span Abrams’s entire career, covering his many projects from television and film to video games and theater. The volume also includes a 1982 article about Abrams as a teen sensation whose short film *High Voltage* won the Audience Award at a local film festival and garnered the attention of Steven Spielberg. Beginning his career as a screenwriter on films like *Regarding Henry* and *Armageddon*, Abrams transitioned into a TV mogul with hit shows like *Alias* and *Lost*. Known for his imaginative work across several genres, from science fiction and horror to action and drama, Abrams’s most successful films include *Mission: Impossible III*; *Star Trek*; and *Star Wars: The Force Awakens*, which went on to become the highest-grossing film of all time in the United States. His production company, Bad Robot, has produced innovative genre projects like *Cloverfield* and *Westworld*. Abrams also cowrote a novel with Doug Dorst called *S.*, and, most recently, he produced the Broadway run of *The Play That Went Wrong*. In conversations with major publications and independent blogs, Abrams discusses his long-standing collaborations with others in the field, explains his affinity for mystery, and describes his approach to creating films like those he gravitated to as a child, revealing that the award-winning director-writer-producer is a fan before he is a filmmaker.

Everything Changes Jonathan Tropper,2006-03-28 Jonathan Tropper’s novel *The Book of Joe* dazzled critics and readers alike with its heartfelt blend of humor and pathos. Now Tropper brings all that—and more—to an irresistible new novel. In *Everything Changes*, Tropper delivers a touching, wickedly funny new tale about love, loss, and the perils of a well-planned life. To all appearances, Zachary King is a man with luck on his side. A steady, well-paying job, a rent-free Manhattan apartment, and Hope, his stunning, blue-blooded fiancée: smart, sexy, and completely out of his league. But as the wedding day looms, Zack finds himself haunted by the memory of his best friend, Rael, killed in a car wreck two years earlier—and by his increasingly complicated feelings for Tamara, the beautiful widow Rael left behind. Then Norm—Zack’s freewheeling, Viagra-popping father—resurfaces after a twenty-year absence, looking to make amends. Norm’s overbearing, often outrageous efforts to reestablish ties with his sons infuriate Zack, and yet, despite twenty years of bad blood, he finds

something compelling in his father's maniacal determination to transform his own life. Inspired by Norm, Zack boldly attempts to make some changes of his own, and the results are instantly calamitous. Soon fists are flying, his love life is a shambles, and his once carefully structured existence is spinning hopelessly out of control. Charged with intelligence and razor sharp wit, *Everything Changes* is at once hilarious, moving, sexy, and wise—a work of transcendent storytelling from an exciting new talent.

Intro to Alien Invasion Owen King, Mark Jude Poirier, 2015-09-15 In this wildly entertaining collaboration, novelists Owen King and Mark Jude Poirier team up with illustrator Nancy Ahn to present a wickedly funny graphic novel about an alien invasion on a college campus. Stacey, a brilliant, overachieving astrobiology major at Fenton College, had planned on just another lonely Spring Break on campus. But when a hurricane batters the small college town, downing power lines and knocking out cell phone reception, Stacey and her friends are stranded with no way to communicate with the outside world at the worst possible moment: in the midst of an alien invasion. As space insects begin to burrow into students and staff—transforming them into slobbering, babbling monsters—a conglomeration of misfits must band together to prevent the infestation from spreading. Meanwhile, Stacey's long-stifled romantic feelings for her friend Charlotte begin to surface, while the professor she had admired and respected becomes the students' worst enemy. Illustrated with enormous wit and dynamism—mixing classic tropes from science fiction, indie comics, B-movies, and campus culture—this graphic novel is something different, a large-scale action/adventure story as seen from the point-of-view of a contemporary, realistic heroine. The result is a funny and singular work unlike anything else you've ever read.

Under the Sun Jonathan Tropper, 1997-02

Similes Dictionary Elyse Sommer, 2013-05-01 Language Appealing As Sunlight After a Storm. A sentence should read as if its author, had he held a plough instead of a pen, could have drawn a furrow deep and straight to the end. —Henry David Thoreau Prose consists of ... phrases tacked together like the sections of a prefabricated hen-house. —George Orwell Whether it invokes hard work or merely a hen-house, a good simile is like a good picture—it's worth a thousand words. Packed with more than 16,000 imaginative, colorful phrases—from “abandoned as a used Kleenex” to “quiet as an eel swimming in oil”—the *Similes Dictionary* will help any politician, writer, or lover of language find just the right saying, be it original or banal, verbose or succinct. Your thoughts will never be as tedious as a twice-told tale or dry as the Congressional Record. Choose from elegant turns of phrases “as useful as a Swiss army knife” and “varied as expressions of the human face”. Citing more than 2,000 sources—from the Bible, Socrates, Shakespeare, Mark Twain, and H. L. Mencken to popular movies, music, and television shows—the *Similes Dictionary* covers hundreds of subjects broken into thematic categories that include topics such as virtue, anger, age, ambition, importance, and youth, helping you find the fitting phrase quickly and easily. Perfect for setting the atmosphere, making a point, or helping spin a tale with economy, intelligence, and ingenuity,

the vivid comparisons found in this collection will inspire anyone. Love comforteth like sunshine after rain. —William Shakespeare A face like a bucket —Raymond Chandler A man with little learning is like the frog who thinks its puddle a great sea. —Burmese proverb Peace, like charity, begins at home —Franklin Delano Roosevelt You know a dream is like a river ever changing as it flows. —Garth Brooks Fit as a fiddle —John Ray's Proverbs He's not to be allowed to fall into his grave like an old dog. —Arthur Miller Ring true, like good china. —Sylvia Plath Music yearning like a God in pain —John Keats Busy as a one-legged man in an ass-kicking contest. —Pat Conroy Enduring as mother love —Anonymous

One Last Thing Before I Go Jonathan Tropper,2012 Following the New York Times-bestseller *This Is Where I Leave You*, Tropper's latest novel is a moving, funny look at one broken family's attempt to reconnect--without destroying each other in the process.

This Is Where I Leave You Jonathan Tropper,2010-07-06 Original publication and copyright date: 2009.

The Publishers Weekly ,2009

Funny, You Don't Look Funny Jennifer Caplan,2023-03-01 Across generations, humor has been a place for American Jews to explore the relationship between Jewish identity, practices, and history. In this comprehensive approach to Jewish humor focused on the relationship between humor and American Jewish practice, Jennifer Caplan calls us to adopt a more expansive view of what it means to do Jewish, revealing that American Jews have turned, and continue to turn, to humor as a cultural touchstone. Caplan frames the book around four generations of Jewish Americans from the Silent Generation to Millennials, highlighting a shift from the utilization of Jewish-specific markers to American-specific markers. Jewish humor operates as a system of meaning-making for many Jewish Americans. By mapping humor onto both the generational identity of those making it and the use of Judaism within it, new insights about the development of American Judaism emerge. Caplan's explication is innovative and insightful, engaging with scholarly discourse across Jewish studies and Jewish American history; it includes the work of Joseph Heller, Larry David, Woody Allen, Seinfeld, the Coen brothers films, and *Broad City*. This example of well-informed scholarship begins with an explanation of what makes Jewish humor Jewish and why Jewish humor is such a visible phenomenon. Offering ample evidence and examples along the way, Caplan guides readers through a series of phenomenological and ideological changes across generations, concluding with commentary regarding the potential influences on Jewish humor of later Millennials, Gen Z, and beyond.

The Book of Joe Jonathan Tropper,2004-03-30 Right after high school, Joe Goffman left sleepy Bush Falls, Connecticut and never looked back. Then he wrote a novel savaging everything in town, a novel that became a national bestseller and a huge hit movie. Fifteen years later, Joe is struggling to avoid the sophomore slump with his next novel when he gets a call: his father's had a stroke, so it's back to Bush Falls for the town's most famous pariah. His brother avoids him, his former classmates beat him up, and the members of the book club just hurl their copies of Bush Falls at his house. But with the help of some old friends, Joe discovers that coming home isn't all bad—and that maybe the best things in life are second chances. Fans of Nick Hornby and Jennifer Weiner will love this book, by turns howling funny, fiercely intelligent, and achingly poignant. As evidenced by The Book of Joe's success in both the foreign and movie markets, Jonathan Tropper has created a compelling, incredibly resonant story.

Everything Changes Jonathan Tropper,2005 EVERYTHING CHANGES is Jonathan Tropper's second book to be published by Bantam (his third novel). It's the story of twenty-something Zachary King, a man to all appearances with luck on his side. He has a steady, well-paying job, a rent-free Manhattan apartment and Hope, his stunning, blue-blooded fiancée, who is smart, sexy and completely out of his league. But as the wedding looms, Zack finds himself haunted by the memory of his best friend, Rael, killed in a car crash two years earlier, and by his increasingly complicated feelings for Tamara, the beautiful widow Rael left behind. Then Norm, Zack's freewheeling, Viagra-popping father, resurfaces after a twenty-year absence, looking to make amends. Norm's overbearing, often outrageous efforts to reestablish ties with his sons infuriate Zack, and yet, despite twenty years of bad blood, he finds something compelling in his father's maniacal determination to transform his own life. Inspired by Norm, Zack boldly attempts to make some changes of his own. The results are calamitous. Soon fists are flying, his love life is a shambles, and his once carefully structured existence is spinning hopelessly out of control. Charged with intelligence and razor-sharp wit, EVERYTHING CHANGES is at once hilarious, moving, sexy and wise, a work of transcendent storytelling from an exciting new talent.
