Sys4 Meagan Brandy, 2025-11-06 The fourth interconnected standalone in the universe of Say You Swear, from bestselling author Meagan Brandy. On the outside, it looks like I've got it all together. I'm killing it on the football field, pushing harder than ever before and breaking league records. But on the inside, I'm drowning and there's no one to pull me up. Until her. I tried to stay away, to keep my distance so I wouldn't ruin us both, but I was powerless against her. She's everything I didn't know I wanted and more than I could ever deserve. Just when I think maybe I'm becoming the man I want to be, my world comes crashing down around me, and I'm faced with a choice that has the power to break us both. Suddenly, I'm right back where I started. I'm the guy with nothing to give—and she's the girl who deserves the world.

**Dirty** Megan Hart, 2024-01-13 I wanted him the first time we met. The problem with desire is that it's like pouring water into a vase full of stones. It fills you up before you know it, leaving no room for anything else. I don't have room in my life for Dan. But I can't stop wanting him.
