

El Código De La Especialización Del Curriculum

Argentina

Encuentros de investigación educativa, 95-98 Eduardo Remedi, 1999-01-01

Didáctica general Fernando Marhuenda, 2000 Manual teórico sobre didáctica y organización escolar, que se propone recuperar la Didáctica para mejorar la educación actual. Entre los muchos temas que se tratan, se hace un análisis exhaustivo del curriculum con todos los problemas que plantea actualmente.

Especialización pericial en prevención laboral y seguridad integral Serrat Julià, Miquel Àngel, 2024-09-25 En el fascinante mundo de la pericia técnica y la investigación, contar con el Dr. Miquel Àngel Serrat, exalumno mío de la Universitat Internacional de Catalunya (UIC) y compañero de viaje excepcional, es un privilegio que pocos pueden disfrutar. Como profesional de renombre en el campo pericial, ha sido para mí, más que un colaborador; ha sido un aliado insustituible en numerosos y complejos temas periciales. Nuestra colaboración ha sido una experiencia profundamente enriquecedora, marcada por el rigor, la precisión, y un compromiso inquebrantable con la búsqueda de la verdad. Este libro que tienen en tus manos no es solo un compendio de conocimientos y experiencias acumuladas a lo largo de años de práctica profesional; es también una muestra de la minuciosidad y exhaustividad que caracteriza un trabajo en equipo. Cada página ha sido elaborada con el más alto grado de detalle, abordando desde los principios fundamentales de la pericia hasta los casos más intrincados que ha tenido el honor de resolver. El lector se deleitará con una obra que no solo ilumina los aspectos técnicos y legales del campo pericial, sino que también refleja el valor de la colaboración profesional y la pasión por la excelencia. En estas páginas, encontrará no solo respuestas, sino también una invitación a explorar los desafíos y las satisfacciones de una profesión que, aunque exigente, es profundamente gratificante.

La experiencia educativa en los programas de garantía social Fernando Marhuenda Fluixà, Ignacio Martínez Morales, 1998

Diseño y desarrollo curricular Miguel Àngel Zabalza, Miguel Àngel Zabalza Beraza, 1987-01-11 Este libro, que está cuidadosamente pensado para los docentes, entiende la figura del profesor y su tarea como un compromiso tanto con lo educativo como con la técnica didáctica. La idea de un desarrollo curricular centrado en la escuela, ha sido el leitmotiv de la obra. El profesor no puede ya trabajar solo, desconectado de sus colegas. Aunque suponga esfuerzo organizativo, ideológico (y hasta económico), es preciso romper la inercia para construir una nueva escuela.

La Salud en México ,1988

Normatividad legal del sector energía y minas: Normas generales, minería Peru. Ministerio de Energía y Minas,2000

La comunicación literaria en las primeras edades España. Subdirección General de Información y Publicaciones,2003

Recoge los contenido del curso de formación del profesorado de enseñanza primaria La comunicación literaria en las primeras edades, que se celebró en la Universidad Internacional Menéndez Pelayo de Santander, en el verano de 2001.

Escribir en español Alfredo I. Álvarez,Alfredo I. Alvarez Menéndez,2005 CONTENIDO: La creación del texto escrito - Composición y uso de modelos de texto.

Peritaje y prueba pericial Varios, Autores,2017-11-01 La LEC 1/2000 realizó una regulación nueva y compleja de la prueba pericial que, en la práctica de sus primeros quince años de vigencia, ha originado infinidad de problemas de todo tipo. Y ello es especialmente crítico por cuanto esta prueba es fundamental para la justa resolución del proceso en aquellos casos en los que el juez precisa de conocimientos científicos, técnicos o especializados. La LEC, en vez de configurar la pericia como un mecanismo de auxilio por parte del juez, la ha “privatizado” y dejado en manos de las partes, por lo que se reduce al máximo el protagonismo del juez. Todo ello justifica que los profesionales del derecho -preocupados por esta realidad normativa- así como los peritos -principales afectados por dicha regulación- estén pendientes de todas las obras referentes a la prueba pericial. Y aquí van a encontrar un excelente libro que no solo aborda críticamente los muchos problemas de la prueba pericial sino que formula soluciones eficaces para afrontarlos, con la participación de brillantes profesionales del derecho (magistrados, catedráticos y profesores titulares de universidad, y abogados de reconocido prestigio) y técnico-periciales (médicos, arquitectos, ingenieros, psicólogos, entre otros).

Código de procedimientos en materia penal para la justicia federal y los territorios de la Capital Federal y territorios nacionales Argentina,1981

Sociología de la educación Ana María Brigido,2016 El libro aborda, con un lenguaje comprensible pero no exento del necesario rigor conceptual los siguientes temas: el concepto de educación para la sociología; el análisis sociológico del sistema educativo, con especial énfasis en el sistema educativo; y la sociología de la escuela y del curriculum. Dedicar un capítulo especial a los docentes como grupo profesional, su posición en la sociedad y las demandas a las que deben responder hoy. En un momento en que la educación en general, y la que se imparte en las escuelas en particular, está en el centro del debate social, este texto viene a cubrir una necesidad importante: proporcionar a los docentes en ejercicio, a los alumnos de las carreras de educación, y a todos los que se interesan por el tema, un conjunto de elementos teóricos conceptuales que les permita comprender en profundidad la educación como fenómeno y como proceso social.
