You Are Fearfully and Wonderfully Made Corliss Meredith, 2015-10 You Are Fearfully And Wonderfully Made, was written to equip women in this season with the basic tools for their journey. This book was also written with the potential to encourage and inspire all women to be confident with the way God has created them personally! This book will empower you with wisdom, knowledge, and understanding of where you are in the process of life; spiritually, physically and mentally as you allow the Holy Spirit to assist you in each chapter. It doesn't matter what your past looks like, your present situation is, or what you think your future hold; this book will compassionately display God's love and remind you that you are more than a conquer! You are an over comer! You have the victory! Your set time is now! You are fearfully and wonderfully Made!

April D. Adeshile, 2005 All over the world people are the same, and what is even more interesting, we all have the same hopes, we desire many of the same dreams, we share the same emotions, we all share a time to laugh, a time to cry, a time to fear, a time to love, a time to care, a time to feel angry, a time when we are sad, and a time when joy brings us to that place of total happiness, peace, and tranquility; which is a sure moment in time. And the truth of the matter is this, God is on the throne and it is only in Him, through Him, and by Him, that all things are made possible for us. Because He has assured us that He will never leave us nor forsake us. God is a BIG GOD! And whatever your challenge is, whatever your struggle is, whatever concern you may have, and whatever it is that you are dealing with in your life today, there is nothing too hard for

God. In *God works Through Human Personality* the author exemplifies beautifully through inspiration what God can do, and will do for you, when you put your trust in Him. The word of God clearly encourages us by this saying; if we ask any thing according to his will, he heareth us, and if we know that he hear us, whatsoever we ask, we know that we have the petitions that we desired of him. 1 John 5: 14-15 And know that there are angels we see, and there are angels we don't see, this is how we know that God is our comforter, our helper, our maker, and our redeemer, through the many trials we face, and the courage we are inspired through the men, women and sometimes children that we cross on a daily basis. There is no respect of persons with God. Romans 2: 11 We are encouraged to let brotherly love continue. And be not forgetful to entertain strangers; for thereby some have entertained angels, remember them that are in bonds, as bound with them; and them which suffer adversity, as being yourselves also in the body. Hebrews 13: 1-3 How good and how pleasant it is for brethren to dwell together in unity! Psalm 133: 1 The Lord said

WHAT FILLS YOU, CONTROLS YOU Walter Masocha, 2014-06-06 There are so many things that control the character and behaviour of man. In my view, no-one ever just does things without a controlling force behind. Nothing just happens. There is a force behind everything done or said by man under the sun. That includes creatures too. When someone 'bursts out' or 'loses it', 'explodes', or suddenly just goes quiet, moody, or commits suicide, what will have happened? with various practical examples, I apply Biblical passages to analyse the impact of such things as pregnancy, alcohol and drugs, bitterness and anger, jealousy and hatred, love/charity, evil spirits, and the Holy Spirit. I know there are a lot more 'substances' and things that fill and control mankind. I just picked a few to highlight the whole point of the book. One by one, consider the items in the above list again. Read the book, and you will know what you are full of. If you don't like what you are full of, try being born again. Hey, these things do not care whether someone is rich or poor, educated or uneducated, king/prince(ss) or pauper, male or female, young or old, 'black or white', or whatever classification you may make. They have no respect for such human forms of classification. I call them 'levellers'. Once you allow them to take up space inside of you, they immediately take over. They are in charge. They take control of the way you think, the way you speak, the way you act, and the way you behave. I admit there is fallacy in generalizations, but in this book allow me to generalise. Whether it's man or

creature, plant, animal or bird, _ I propose a ONE-LINE answer to all these scenarios _ what fills you, controls you!
