Mel Torme George Hulme, 2008-05-09 Known for a voice as mellow as his moniker, The Velvet Fog, Mel Torme was an accomplished vocalist, pianist, drummer, songwriter, arranger and author. Leaving a recording legacy of jazz and popular music, his death in June 1999 ended an entertainment career spanning over sixty years. This comprehensive discography is intended not only for the Torme enthusiast, but the casual fan as well, who may only know Torme for his Night Court television appearances or as vocalist and co-writer of The Christmas Song (Chestnuts Roasting on an Open Fire), which was first recorded by Nat King Cole. Included are a selective chronology providing the highlights of Torme's career as an entertainer; notes on record issues, recording dates, session numbers, takes, musicians and arrangers; lists of all musical releases by label and category; hits and awards; and indexes of song titles and musicians. Films, short subjects, stage appearances, and television work (recorded on video) in which he acted, performed musically, or served as a contributor are noted, as are books that Torme wrote, or to which he contributed.

10 Easy Jazz Duets Greg Nielsen,1996-04 10 Easy Jazz Duets, written by John La Porta with Greg Nielsen, contains jazz duets in a variety of styles. This unique book is compatible for performance with all instruments and is published with a CD of hip rhythm section backgrounds. In addition, the duets can be performed with a live rhythm section using the chord symbols provided in the C and Bass Clef editions. Not only is the book great for individual jazz practice for improvisation, articulation and phrasing, but it provides interaction with another musician or group with no limitation on the instrumentation. The duets are also very useful to the educator who may find it difficult to get a full band together.
