Anna Sortino

Give Me a Sign Anna Sortino, 2023-07-11 Jenny Han meets CODA in this big-hearted YA debut about first love and Deaf pride at a summer camp. Lilah is stuck in the middle. At least, that's what having a hearing loss seems like sometimes—when you don't feel “deaf enough” to identify as Deaf or hearing enough to meet the world's expectations. But this summer, Lilah is ready for a change. When Lilah becomes a counselor at a summer camp for the deaf and blind, her plan is to brush up on her ASL. Once there, she also finds a community. There are cute British lifeguards who break hearts but not rules, a YouTuber who's just a bit desperate for clout, the campers Lilah's responsible for (and overwhelmed by)—and then there's Isaac, the dreamy Deaf counselor who volunteers to help Lilah with her signing. Romance was never on the agenda, and Lilah's not positive Isaac likes her that way. But all signs seem to point to love. Unless she's reading them wrong? One thing's for sure: Lilah wanted change, and things here . . . they're certainly different than what she's used to.

Rez Ball Byron Graves, 2023-09-12 This compelling debut novel by new talent Byron Graves tells the relatable, high-stakes story of a young athlete determined to play like the hero his Ojibwe community needs him to be. These days, Tre Brun is happiest when he is playing basketball on the Red Lake Reservation high school team—even though he can't help but be constantly gut-punched with memories of his big brother, Jaxon, who died in an accident. When Jaxon's former teammates on the varsity team offer to take Tre under their wing, he sees this as his shot to represent his Ojibwe rez all the way to their first state championship. This is the first step toward his dream of playing in the NBA, no matter how much the odds are stacked against him. But stepping into his brother's shoes as a star player means that Tre can't mess up. Not on the court, not at school, and not with his new friend, gamer Khiana, who he is definitely not falling in love with. After decades of rez teams almost making it, Tre needs to take his team to state. Because if he can live up to Jaxon's dreams, their story isn't over yet.
