**The Reflective, Facilitative, and Interpretive Practice of the Coordinated Management of Meaning** Catherine Creede, Beth Fisher-Yoshida, Placida Gallegos, 2012-04-12 This book showcases ways in which the theory of Coordinated Management of Meaning (CMM) has been applied in a variety of settings. The title reflects the three sections of the book in which CMM is used with individuals and groups toward making meaning together in constructive and generative ways to make better social worlds through communication.

**Making David into Goliath** Joshua Muravchik, 2015-12-15 During the Six-Day War of 1967, polls showed that Americans favored the Israelis over the Arabs by overwhelming margins. In Europe, support for Israel ran even higher. In the United Nations Security Council, a British resolution essentially gave Israel the terms of peace it sought, and when the Arabs and their Soviet supporters tried to override the resolution in the General Assembly, they fell short of the necessary votes. Fast forward 40 years and Israel has become perhaps the most reviled country in the world. Although Americans have remained constant in their sympathy for the Jewish state, almost all of the rest of the world treats Israel as a pariah. What caused this remarkable turnabout? *Making David into Goliath* traces the process by which material pressures and intellectual fashions reshaped world opinion of Israel. Initially, terrorism, oil blackmail, and the sheer size of Arab and Muslim populations gave the world powerful inducements to back the Arab cause. Then, a prevalent new paradigm of “social justice,” in which class conflict was supplanted by the noble struggles of people of color, created a lexicon of rationales for taking sides against Israel. Thus, nations can behave cravenly while striking a high-minded pose in aligning themselves on the Middle East conflict.

**My Friend, the Enemy** Uri Avnery, 1986 In July 1982, at the height of the Lebanon war, Uri Avnery crossed the lines in Beirut for a sensational meeting with the PLO leader. This was the culmination of a clandestine operation which had started eight years previously when the author first met in deepest secrecy with a high-ranking PLO official in London. These contacts led to secret meetings in various countries, involving kings, presidents and statesmen from half a dozen governments. They included Yitzhak Rabin and Menahem Begin; King Hassan of Morocco and President Bourghiba; the late Sa'id Hammami and Issam Satrawi from the PLO; as well as prominent European socialist leaders like ex-Premier Mendes-France and ex-Chancellor Bruno Kreisky who were the first European statesmen to take the PLO seriously.--Back cover.
