The Parables of JESUS CHRIST Robert Gobelet, 2016-05-03 Some sections of the Bible give us grand theology. Some move us to grateful responses to God. But *The Parables of JESUS CHRIST* break through mere words and make us see things more clearly as Jesus aloud his listeners to live through the eyes of the characters he spoke about. In this book, Robert Gobelet takes us systematically through the parables of Jesus so we all can learn these life changing and transforming truths taught by Jesus himself.

Scripting the Moves Joanne W. Golann, 2021-06-08 An inside look at a no-excuses charter school that reveals this educational model's strengths and weaknesses, and how its approach shapes students Silent, single-file lines. Detention for putting a head on a desk. Rules for how to dress, how to applaud, how to complete homework. Walk into some of the most acclaimed urban schools today and you will find similar recipes of behavior, designed to support student achievement. But what do these "scripts" accomplish? Immersing readers inside a "no-excuses" charter school, *Scripting the Moves* offers a telling window into an expanding model of urban education reform. Through interviews with students, teachers, administrators, and parents, and analysis of documents and data, Joanne Golann reveals that such schools actually dictate too rigid a level of social control for both teachers and their predominantly low-income Black and Latino students. Despite good intentions, scripts constrain the development of important interactional skills and reproduce some of the very inequities they mean to disrupt. Golann presents a fascinating, sometimes painful, account of how no-excuses schools use scripts to regulate

students and teachers. She shows why scripts were adopted, what purposes they serve, and where they fall short. What emerges is a complicated story of the benefits of scripts, but also their limitations, in cultivating the tools students need to navigate college and other complex social institutions—tools such as flexibility, initiative, and ease with adults. Contrasting scripts with tools, Golann raises essential questions about what constitutes cultural capital—and how this capital might be effectively taught. Illuminating and accessible, *Scripting the Moves* delves into the troubling realities behind current education reform and reenvisions what it takes to prepare students for long-term success.

Finding Freedom Neil R. Oliver, 2017-05-15 You don't have to keep suffering, living in defeat and darkness because you are unequipped with the truth needed to eliminate all the lies, deception, and fear you're experiencing due to the unexpected events in life, unwanted situations, and times when your circumstances seem to be spiraling rapidly out of your control. Don't do it. Don't believe there is no way out. You can escape. You will escape. Believe it. The trials we face are the perfect opportunity to receive lies, be deceived, and remain in a permanent state of fear. Unequipped with the truth we are quickly disconnected from who we really are and all we are capable of. The consequences of believing lies to be the truth, allowing ourselves to be deceived, and accepting fear to be our reality always lead to personal defeat. Finding freedom is possible. The lies will convince you otherwise, deception will have you believing there's no way out, and fear will keep you permanently trapped. Don't believe it. Don't accept lies, deception, and fear to be your truth. Let God's truth be your truth. Get ready to break free from everything that has ever held you back. Finding Freedom is your way out.

Dark 'n Stormy Timothy J. Page, 2010-02-02 *Dark 'n Stormy* is the truthful account of two best friends engulfed in a life of debauchery who spend a week on the Island of Bermuda coming to grips with their place in the world. By leaving their day-to-day struggle to subdue the horrors of the world that plague their physical and mental stability, they find on their trip the inspiration to accept their place in life and realize the power of the bond of friendship when nothing else makes sense. Set during the moment of life when the future is uncertain, *Dark 'n Stormy* shows that when life seems empty in purpose, there is always a ray of sunshine behind the darkness of the unknown.
