The Fight for Female Lisa Bevere,2024-08-20 The very idea of womanhood is being assailed on all fronts: sexualized by our culture, eliminated from language, and silenced by the church. For decades, both sexes have been systematically undermined and stripped of their strength. Male and female were originally created as a power union, but that turned into a power struggle. For years, women listened to the lie that to be powerful they needed to act like men. Now the tables have turned, with men acting like women. This attack is more than cultural, it is spiritual. Revelation 12:17 portrays a dragon enraged with women who has declared war on our children. Our enemy, terrified of what--and whom--we were made to reflect, seeks to blur the lines, distorting the very idea of what it means for women to bear God's divine image. We were made for this fight. It will require honest, intimate conversations to emerge with God-inspired answers equal to the challenges of our day. Our marriages, children, churches, communities, and futures depend on it. It's time to unite, confident in our divine identity, clear in our commission, and courageous in our calling, to confront the darkness with love and light. It's time to fight for female!
