Management des services publics congolais Emile Aïssi Yuma Mwana, 2022-07-22 L'auteur démontre qu'à l'ère actuelle des organisations publiques post bureaucratiques, le vécu quotidien du gestionnaire public congolais témoigne d'une particularité exceptionnelle, qui déroge souvent aux préceptes mêmes de la bureaucratie wébérienne. L'administration publique repose sur la facilité large et réelle, d'entretenir et d'enrichir les gouvernants sur une large base de passe-droits. Il met en évidence le fait que la particularité de prestation des services publics en R.D. Congo est déterminée par la façon dont le manager public opère. Face à ce constat, il s'interroge sur les mécanismes de consolidations des pratiques du management public congolais pour parvenir à la performance des services publics et à la gestion par les résultats, en tenant compte des particularités de l'environnement congolais.

## Unveiling the Magic of Words: A Overview of "**Les Modes De Gestion Des Services Publics**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
