**The Essential Guide to Children's Books and Their Creators**, Upon publication, Anita Silvey's comprehensive survey of contemporary children's literature, *Children's Books and Their Creators*, garnered unanimous praise from librarians, educators, and specialists interested in the world of writing for children. Now *The Essential Guide to Children's Books and Their Creators* assembles the best of that volume in one handy, affordable reference, geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children's literature by focusing on the essentials — the best books for children, the ones that inform, impress, and, most important, excite young readers. Updated to include newcomers such as J. K. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children's authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. *The Essential Guide to Children's Books and Their Creators* summarizes the canon of contemporary children's literature, in a practical guide essential for anyone choosing a book for or working with children.

**Children's Books and Their Creators** Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature, this timely, single-volume reference covers the books our children are--or should be--reading now, from board books to young adult novels. Enriched with dozens of color illustrations and the voices of authors and illustrators themselves,

it is a cornucopia of delight. 23 color, 153 b&w illustrations.

**I Can Read It All by Myself** Paul V. Allen, 2021-05-28 In the late 1950s, Ted Geisel took on the challenge of creating a book using only 250 unique first-grade words, something that aspiring readers would have both the ability and the desire to read. The result was an unlikely children's classic, *The Cat in the Hat*. But Geisel didn't stop there. Using *The Cat in the Hat* as a template, he teamed with Helen Geisel and Phyllis Cerf to create Beginner Books, a whole new category of readers that combined research-based literacy practices with the logical insanity of Dr. Seuss. The books were an enormous success, giving the world such authors and illustrators as P. D. Eastman, Roy McKie, and Stan and Jan Berenstain, and beloved bestsellers such as *Are You My Mother?*; *Go, Dog. Go!*; *Put Me in the Zoo*; and *Green Eggs and Ham*. The story of Beginner Books—and Ted Geisel's role as “president, policymaker, and editor” of the line for thirty years—has been told briefly in various biographies of Dr. Seuss, but *I Can Read It All by Myself: The Beginner Books Story* presents it in full detail for the first time. Drawn from archival research and dozens of brand-new interviews, *I Can Read It All by Myself* explores the origins, philosophies, and operations of Beginner Books from *The Cat in the Hat* in 1957 to 2019's *A Skunk in My Bunk*, and reveals the often-fascinating lives of the writers and illustrators who created them.
