Older Woman, Younger Man Randy Wallace,2019-12-13 In my book, How to Love an Older Woman 50s, 60s and 70s, I talked about what a woman needs when she reaches these ages. Some of my female readers asked me about older women dating younger men. Some were thinking about dating but were skeptical and felt embarrassed about dating them. This book would help you see all the advantages of dating a younger man and all the things he has to offer; by reading this book will help to make up your mind. I am dating an older woman and the experiences that she had shown and taught me, I never would have learned from dating a younger woman.

The Quiet of Spring Darci Balogh,2018-09-27 A middle aged housewife, lost in her perfect suburban existence. A lonely ivy league college grad with a musician's soul. Brought together by chance, held together by attraction, one magic spring turns into a summer they will never forget. The Quiet of Spring is a Cougar Love Story about one housewife's chance at forbidden romance. "Simultaneously sweet and sexy." Julia can't seem to put a finger on what's missing from her life. She has a successful husband, three happy children, and a beautiful home in an affluent neighborhood that she loves. Why does she feel so alone? Why isn't everything she has enough to make her happy? I loved this story...The characters were believable and lifelike. I have to admit, I fell in love with Julia myself. When Tyler, a tall, handsome college grad who is trying to get out from under the thumb of his wealthy father, moves in next door for the summer, he takes an immediate interest in Julia's daily life. She feels like a schoolgirl again. He fills her days with delight and her heart with passion in a way she thought was lost to her forever. "...both titillating and romantic in the true sense of the word, difficult to achieve in this genre." Tyler's pull on Julia's heartstrings is stronger than even her husband's, but is it stronger than her dedication to her children? Is their flirtation merely a crush, or could it-should it-be more? "My heart was pounding and I couldn't put it down!" This emotional

romance takes you through the ups and downs of a summer affair between an older woman who is stuck in a troubled marriage and the younger man who offers her a second chance at life. Will their summer affair end in forever? Or will the commitment she has for her husband and her family put their new love in danger of heartbreak? Buy your copy today and reawaken your wild side...
