If I Say If Alistair Rolls,John West-Sooby,Jean Fornasiero,2014-06-23 Boris Vian is a rare phenomenon. Nothing short of a national treasure in France, he is hardly known overseas. In his lifetime, he divided literary opinion with masterpieces that failed to sell and best sellers that caused outrage, trials and even deaths, including his own. As an impresario, he became the figurehead of the jazz scene that marked the French left bank at the end of the Second World War and was responsible for bringing Duke Ellington and Miles Davis to France. As a musician, he played his trumpet against the advice of cardiologists, sang pacifist songs before audiences of outraged patriots and, in passing, created French rock 'n' roll. Posthumously, he became known for his theatre, film scripts and poetry as well as for his novels. And in May '68 he became a revolutionary icon.

No Regrets Carolyn Burke,2011-03-22 The iconic French singer comes to life in this enthralling, definitive biography, which captures Edith Piaf's immense charisma along with the time and place that gave rise to her unprecedented international career. Raised by turns in a brothel, a circus caravan, and a working-class Paris neighborhood, Piaf began singing on the city's streets, where she was discovered by a Champs-Élysées cabaret owner. She became a star almost overnight, seducing Paris's elite and the people of its slums in equal measure with her powerful, passionate voice. No Regrets explores her rise to fame and notoriety, her tumultuous love affairs, and her struggles with drugs, alcohol, and illness, while also drawing on new sources to enhance our knowledge of little-known aspects of her life. Piaf was an unlikely student of poetry and philosophy, who aided Resistance efforts in World War II, wrote the lyrics for nearly one hundred songs (including "La Vie en rose") and was a crucial mentor to younger singers (including Yves Montand and Charles Aznavour) who absorbed her love of chanson and her exacting approach to their métier. Here is Piaf in her own world—Paris in the first half of the twentieth century—and in ours. Burke demonstrates how, with her courage, her incomparable art, and her universal appeal, "the little sparrow" endures as a symbol of France and a source of inspiration to entertainers worldwide.
